The success of any publication depends upon its reader. If it has a message to deliver, it must have the readers to carry on. In this statement, we wish to remind our readers, if you want us to continue fighting and do our part to awakening America to the trend toward Communism, Civil Rights, Fair Employment; you will each and everyone have to help us get our Political Reporter into to more reader's hands. A year's subscription is Two Dollars, mailed only within the United States. No subscription blank necessary, all you have to do is send your check or money order along with your name and mailing address. Printed would help us avoid mistakes. The Editor.

 The UNITED ORDER OF FUZZY BRAINS OF AMERICA SHOULD BE ORGANIZED IMMEDIATELY. It is time that those who mouth the un-American propaganda of the minorities should show the color of their weakness and brainless effort to offset the Majority's Rights. It is time that those who hate American institutions be recognized and given their rightful place before the public.

This UNITED ORDER OF FUZZY BRAINS OF AMERICA should also create a higher Degree, so that they might confer upon the Editors, Church leaders, Teachers, Civic leaders and Fauning Politicians, who by their efforts are misleading the Americans, the Degree of the VULTURE AND THE SKUNK. And all those who have been so honored by this ritual, should be permitted to wear upon their empty heads a Skull Cap with the emblem; A VULTURE AND A SKUNK necking, emblazoned upon it.

Perhaps if the Un-Americans should organize this UNITED ORDER OF FUZZY BRAINS OF AMERICA, Congress might give them permission to intermarry with negroes, honor the United Nations' flag and kick Old Glory into the gutter. It might also give them permission to spit upon the Bible and our Constitution and force all Americans to SALUTE them when they pass. Disloyalty to America could be their password, granting Congress continues to forget our Nation.

 Since Maragret Osman is not a Seventh Daughter of a Seventh Daughter and does not deal in Hanky-Panky Voodooism, she may have gave us the key that will safely lock the door against un-Americans. That Mystic Symbol "TOCYOBA" sure means something.

Court decision.

Now, in view of Editor Pyle's request to make it short, this time, I will briefly discuss "Bigotry." I offer no criticism of the Jew for his ability to practice race adhesion and cohesion over a several thousand year period--to maintain his racial integrity from antiquity down to the present time. It is one of the world's wonders. However, why does he exert his power and talents to break down the integrity of other races, especially that of the so-called white or Aryan race? His desire to destroy the white race signifies in my opinion, that it is standing in the way of the fulfillment of plans. The leadership of some of the influential persons of the Jew race of the Association for the Advancement of Colored People gives evidence of this.

His desire to further the advance of the negro race is understandable. It is because of family kinship. Philologists and anthropologists tell us of their unmistakable family ties. The Jewish tribes and the Ethiopians and the Berbers and others of North Africa, were definitely blood related.

Finally, how many Gentiles, Mongols, Japanese, Indians, etc., are members of B'nai B'rith? Could any of these qualify for membership in this exclusive Jew organization? Does not orthodox Jew religion automatically exclude all but Jews from membership? If I am wrong I will be pleased to be corrected. On the other hand, how many members of it are or are seeking membership in Gentile organizations and are participating in their affairs even to the point of directing them. And B'nai B'rith speaks of "BIGOTRY" when Gentiles act defensively and act to protect themselves from extinction. In so doing they are labeled "BIGOTS" by those using the often tactic of accusing others of the very things they themselves are doing.

Editor's note. To make sure that our readers will not come to the conclusion that I tried to choke off our good Friend, Doctor Montgomery, I want to say here. I did ask him to cut short his bit for this month. The good Doctor has helped me carry the loads every since I started this publication, and many times gave me his time when it should have been taken up with someone who was sick and in real need of his services. I felt it was time to let up on him a bit so the sack might be taken care of.

Quote from a letter.

Waco, Texas
Nov 6th, 1952.

If the Congress preserves "liberty and sovereignty" for the U.S.A. it will minutely establish a tribunal for trials of Communist. Every member of the B'nai B'rith, the Anti-Defamation League, the Anti-Nazi League, and the Americans for Democratic Action, et al, establish proof guilty with conclusive evidence. They should be banished from this land of liberty before they subvert our American/Christian civilization. If they are not expelled they will establish "mongrelization" by legislation. They will force the white female to couple with negro males, and vice versa. And that will re-establish jungleism in America.

Signal, Horace Sherman Miller. 1401 N, 13th St.
Waco, Texas.

Mr. Miller statement is correct, we need NO SUBVERSIVE FORCES in America. The creating of racial disturbance by the Anti-Defamation league, is giving aid and comfort to Communist Russia. The Editor.

EDITORIAL.

The election is over and the people will go back to sleep. That is the vast majority of White Gentile Americans. While they sleep the minorities will be out and demanding the pay-off for their mythical support of the winning political party.

From now on more demands for Fair Employment will be made. More demands for so-called civil Rights will be made. More minorities will be demanding laws that will forbid an American White man from protesting against them. Yes, the minorities will begin to rule behind the scenes. And, why not? Hasn't the White Gentile VOTED and Went back to sleep?

While we sleep, the attack upon our schools will go on. They will soon be teaching pure Communism under the name "Democracy". While we sleep the white and black will be crowded together in our southern schools. While we sleep our rights to employ who we wish will be tossed out the window and those unfilled will be forced upon us. While we sleep more emigrants will be admitted to our shores and given the vote so as to offset ours. More minorities to vote that worship the Sacred Cows.

While we sleep the United Nation will be planning to do away with more of our CONSTITUTION. While we sleep the UN, with its non-Christians, Socialist, Communist, will be planning World War III. A war that will slaughter our White American youth, end our Free Enterprise system and make us the stamping grounds for internationalist, COMMUNIST and nothing ELSE. Yes, while we sleep, the UN will finish off the Gentile White American and make this once great nation, a puppet state with a mongrel citizenship. The UN is already eyeing the African White man and figuring how to send our youth over there so that the negro may take over.

While American White citizens sleep, this nation, the last bulwark of the White man's civilization will pass from the picture. Russia slept and went down the path to internationalist and Communism. Germany, once a part of the White man's civilization, now kneels in the dust, ruled by international minded people. It also slept. England, the nation that carried the White man's civilization to almost every land and guarded it jealously, now is slipping. It slept and the internationalist stayed awake and provided the greased path of war to bring upon her ruin and socialism, and the future, communism.

The last stronghold of the White man's civilization is America and, it is slipping slowly from the picture. Its citizens slept while the internationalist, the Communist if you will, drained our national wealth away from us. While we slept, they took over our political parties and are making in-roads in taking over all our businesses, our industries, our professions, schools and Press and confusing our religious leaders to the point that they are traitors to Christ and our country. They are, as we go back to sleep, softening us up with propaganda for the final blow.

The final blow will come when they, the UN foists upon us World War III. It is now in the making. Our white youth are now scattered over the face of the earth, while the yellow, black and Jews stay close to home. Will we awake and be able to defend our selves. I wonder. Frank L. Britton, in his "BEHIND COMMUNISM" would lead us to believe not. His picture of Communism and Russia before the revolution has its counterpart here in America today. As we read his book, we saw our American problem more clearly, and it was not a pretty view.

(See book list for BEHIND COMMUNISM. By Frank L. Britton.)

Could we move swiftly and enlist entire families of men-women and children into a GIANT AMERICAN GUARD wielding the one weapon they each control, MONEY, we could halt this HOLOCAUST. Upon the lowly penny, even, is the inscription "IN GOD WE TRUST" and it should warn us to have a care that we exchange it for naught that is Un*Godly and that we place it in no blood stained palm of an Anti-Christ.

A HUGE AMERICAN GUARD with a battle cry of "TOCYOBA" would strike fear into the heart of even Frankfurter, Baruch, Lehman, or Niles for they know the power of MONEY as no American can know it. As their eyes transpose the seven letters to reverse order their power would melt for they would be knowing the vast holdings in America had come to naught---became meaningless unless America MONEY was to flow into them.

A Great AMERICAN GUARD with a battle cry of "TOCYOBA" could win too, without ever firing a shot. Gentlemen--"TOCYOBA".

Lest we forget, let us remember Margaret Osman's slogan. Ed.
NO SEGREGATION*---NO WHITE RACE.

SPICED BITS.

Appointing a negro to high office in Maryland. Gov. Theodore R. McKeldin of Maryland says he's appointing a negro as assistant attorney general. This statement was made at National Conference of Christian and Jews. The news strikes us as rather a joke upon the white race of the south. Most of them think the negro won't be on their back, but, he sure gets there anyhow.

Anna Rosenberg like all of her race, never misses a bet to promote her own kind. While in Korea, she not only slammed every mother and father who had sons fighting in Korea, by telling the Press that all the boys want was some skinny shamed female who plays on movie lots. Yes, she implied our sons have no minds, or are morons. This insult perhaps will pass over our thick skulled Americans like most of everything that does.

The Southern leaders of the Anti-Defamation League met in Memphis. One of them gave out the news that they were going to teach DEMOCRACY to the south on a Community level. Taking it either way, it adds up to the fact that these HOLY-COWS think we southerners lack patriotism and respect for Old Glory. It's queer how they get the idea of us living here for generations, fighting like hell to make this nation great, paying our share or more of taxes and still not able to be American citizens. We might also say, we don't need Democracy, that word was coined by Marxian Europeans and peddled by Fair Dealers. This is a Republic, not a Communist Democracy, and it's about time some of our southern men and women wake and make known their stand on that Anti-Defamation League's effort to teach us anything.

Look out for more trouble from the UN. They are now trying to set the pattern of life for South Africans. We may soon be sending our sons to Africa to make the white citizens there accept the negro as an equal. Perhaps while our sons are over there other youths from foreign land will be making us kiss the nigger and call him brother.

WHO ARE THE BIGOTED PEOPLE?

By
Dr. T. R. Montgomery.

From a news report in the "Memphis Commercial-Appeal":
 "Discussions of bigotry in politics, police training, and in minority group problems and related problems will occupy a day-long conference today at the Gayoso. Sam Myer of 3862 Woodlawn, chairman of the Tennessee Anti-Defamation League of the B'nai B'rith will preside." (Underlining mine-TRM.)

Then follows a list of Jew speakers and the statement that the hosts of the meeting are the Sam Schloss Lodge and the Hardwig Pines B'nai B'rith lodge, etc.

It will be noted above that the main subject for discussion by the above group was "Bigotry." Many of us do not know just what "bigotry" is except that we have been taught that it is loathsome, so let's see what a dictionary says about it, etc. The state or condition of a narrow-minded, intolerant person; blind and obstinate attachment to a peculiar creed, party or opinion: intolerance; fanaticism. A bigot is one "unreasonably attached to a certain creed, church or party," etc. "Fanaticism: One who is intemperately zealous of wildly extravagant especially on religious subjects, etc."

It is the custom and practice of the "Memphis papers to assign special reporters to various meetings held in Memphis, such as medical meetings, farm gatherings, etc., but I notice no follow-up of the announcement of this B'nai B'rith assembly, so we are left in the dark as to what the discussions were or what opinions were expressed. Which makes me wonder why this light treatment by our local press.

Were the opinions and statements of such a nature that it was thought best that the public be not informed of them? The press of the United States roars like an enraged bull when some of its rights of free speech are endangered as it did in the Louisiana-Nixon affair but it seems as timid as a bunch of "cotton-tails" whenever and wherever the B'nai B'rith and the Anti-Defamation League are concerned. I can only wonder about their boldness in the one instance and their silence in the other and can only surmise that the real reason lies in the statements by some people that members of the Jew organizations either own or control 90% of the publications of the nation including the little country weeklies.

These groups are so powerful that they have succeeded in suppressing the free expression of opinion in this country; that we can even make no slighting jokes about the race. We Dutch, German, English, Scotch, Irish, people and often the negroes, get a big kick out of a joke on ourselves but avilently not the Jew. Why all the sensitiveness? They must think they have a reason.

The Anti-Defamation League or someone allied to it recently carried a case against a man in Chicago from the local courts thru the state courts to the United States Supreme Court which sustained a fine of \$200 against him for distributing anti-negro literature on the streets of Chicago. This literature was mainly opposing the entrance of negro residents into white neighborhoods - a practice which, it is charged, a negro-Jew organization was promoting. There were no headlines from the United States press at this abridgement of free press and free speech. The facts is they made, in a few instances, only a few line mention of the Supreme

every ounce of the police power they exert over our farms, our factories, our labor unions, our schools. Most important of all, we gave them the right to draft 3,600,000 American youth into the Armed Forces on which their power rests. " -- " On the day Congress decided to take back the power we so rashly gave away, the Fair Deal and all its works will collapse like a house of cards, " --- " If 50 men, Republican and Democrats, decide to stop the erosion of American strength, we can stop it. If 250 members of the House, Republican and Democrats, decide that this destruction of America must stop, they can stop it. " --- " Three and a half million men in this country were taken from their homes and put into army camps by our order. We reached out and took them from their peaceful lives as truly as if we had gone into their homes and led them out. Those 3,500,000 men are the measure of our moral obligation. " --- " When we draft young men of the United States to defend the Constitution and the Republic, by the same act we draft ourselves. "

Gentleman, that is a strong indictment. Indiana sent William E. Jenner back into the Senate and his state means for him to finish his work. Let each state see that Senators keep trust with them. The above quotation gives you printed proof that we literally govern ourselves. Reds are wasting their time in this country. Our fair land has always belonged to the people. WAKE UP! WAKE UP!

All we need to preserve and maintain this great nation are but three things that our ancestors had with which to build it. JUST THREE THINGS. A Free Land--Abiding Christian faith-- indomitable FIGHTING SPIRIT -- and we have fallen far short. Have we lost our heritage or have we merely bartered our time? One fact is certain, were a trap sprung, tomorrow, our great mass of people would be in chaos.

Pilate tells us that the Treasure of the Temple was taken to bribe the people after the Crucifixion of Christ. The stark naked question looking us in the eyes is what will they use to bribe the people, here, when they finally learn their Christian Nation has been looted, their homes mortgaged, their schools and churches confiscated, and their young sons sent to a foreign slaughtering pen ??? ARE THEY RELYING UPON THE FINISHED CONCENTRATION CAMPS OR THE FIRING SQUAD?

Readers of these pages are well aware that our people en masse are totally unaware of their danger. They are playing in the sun with their new-found toys and gadgets that speak to them, right in their homes, of TOLERANCE, BROTHERHOOD, OF MAN, and WORLD PEACE--all Anti-Christian, Communist slogans but who can tell them with their ears already "THICKENED" and the newspapers, movie industry, Radio, and TV under dominion of the RED SHIELD. Have we any power enough to persuade them to "turn loose" of their pretty baubles and listen to anything distasteful-- NAUGHT BUT THE POWER OF GOD.

Our people have been organized and re-organized into clubs, lodges, unions, legions, and leagues until they are so weak-kneed that it requires two companions at either side, tow in front and two in the rear to keep them in the up-right stature of man, and they are being led, shoved, pushed, jostled, and goaded before the Talmudic power, in this country as they were in Italy, France, Russia, Germany before their fall. Can we not learn that strength does not lie in numbers? IT COMES FROM WITHIN-- AND FROM GOD.

The plot here is so Satanically clever that we can not be certain if we may count in hours, days, months or a year but we do know that we have no time to develop minds or build characters. We have time only for Christian Revivals. GOD IS NOT TO BE DEFEATED.

ALL WE EVER NEED.

By

Margaret Osman.

"The fool hast said in his heart there is no God." And this beautiful month of November, the American People witnessed a MIRACLE. Not a miracle that one political party was defeated and another was elected--not that one man lost and another won--not that Dwight D. Eisenhower was elected to serve for four years as chief executive of our government--those things are common-place. The miracle was that BY THE GRACE OF GOD THE AMERICAN PEOPLE HAVE RETRIEVED THEIR FRANSHIS!

Many of our sound thinkers were in the dire doldrums that the voting power of the people had become centralized in Washington and that we were face to face with a one-party dictatorship. These United States found the necessary power, at a crucial moment, in the millions of forgotten "grass root" Americans who had, theretofore, been too trusting, too tolerant, or too uncertain to use their vote. Great additional power was given by the states of Texas, Tennessee, Florida and Virginia when they stepped free of any shackles of TRADITION, PARTY PREFERENCE AND PERSONAL SENTIMENT to stand shoulder to shoulder with Americans for the preservation of our FREE REPUBLIC. Considering the forthright stand of Georgia and Mississippi in the Democratic Convention, many hoped they, too, might step forward but they remained within their traditions. But among them is certain to be thousands of staunch, hard-hitting, fighting AMERICAN GENTLEMEN who will help to give honorable burial to the poor belabored jackass, leaving ample space beside him for the flabby, thick-skinned elephant should he, too, succumb to the RED-RAW-DEAL's most virulent germ --ADA. In such event we should place a marker between them "Died in the line of duty to protect and preserve a FREE REPUBLIC."

And we the people of this great Republic need to make doubly sure that we do not return, one by one, to our disgruntled shells, and like out symbols, die of the same germs. When a political party has practiced containment to the point that it supports UN-NATO-UNESCO--FEPC--UMT--NEA- ADA and etc, we know there is, indeed, room left for little of America's needs and we had best be on our guard. Red-blooded, informed citizens should begin, now, the construction of a GIANT CONSTITUTION party that will be strong and ready to challenge this one on every Un-American, Un-Constitutional and Un-Christian Act during its four year tenure and it will have no excuse as it has full power in Congress as well as in the White House and with an assessment of funds, the like of which has never been taken from the people of any nation in all time.

In 1956, the American People, with a strong new Constitution party, will be in position to demand a close accounting of our finances and to resume our position of LIGHT OF THE WORLD in FREEDOM and CHRISTIANITY. Then, God willing, may it turn the pages on a quarter of a century of dark immorality, dishonesty, treachery, foreign intrigue and betrayal even of our own people. Our Fair-Deal, New-Deal, Raw-Deal unmasked becomes a Red-Deal and that in turn has a familiar sound! (How many of you are familiar with the history of the RED SHIELD in the Rethchilis of Europe?)

Hon. William F. Jenner, Senator of Indiana, in his speech, before the senate, May 8, CONGRESS ALONE CAN RESTORE THE REPUBLIC States "This administration operate entirely on power that Congress has given it. Congress voted to the Fair Dealers every dollar of the billions they are wasting so light-heartedly. We voted them

So, we can only assume that old father Noah was consulted, and remembering the the curse, and the purpose of the flood, ordered them separated and banished to the African jungles, as this occurred shortly before his passing, approximately 2261 B.C.

God moves in mysterious ways, his miracles to preform.

There the still were, some 4000 years after, when the "slave-trader" a, ancestors of our present day "maker-over" brought them to our shorse.

Again, we look at the record and have to conclude that this was the greed for monsy in this traffic in human lives, but also involved a sinsister design, similar to that which necessitated the inquisitions of Spain.

With our PROGRESSIVE Educator--PROSELYTERS promoting "Social equality" and other such satan (Talmud) inspired propaganda, and cottupting our "innocent youth, now fraternizing with the children of the curse--more properly, the corrupt seed our parents had bet ter decide if they want to face a possible "Inquisition" for their children, some day, for God will certainly purge his earth again, before He comes back to dwell upon it as He said.

When Cain slew his brother, this crime madw him an outcast--an unholy seed--and he was banished from the holy habitation of his parents.

Being of a perverse, profligate nature, they overspread themselves in the course of time and began to mingle with the Sethites--the Holy seed thru whom the Saviour was to decend in due time, for which reason God Himself, practiced the first law of segregation, an essential arrangement to preservation of the holy family of God's creation children.

So, it should be clear that when God saw that "the children of men--the unholy seed of the earth--looked upon the children of God--the holy seed--and took of them "wives" of all they chose, that his plan of cleansing the earth by flood had special significance for our times.

Those who panderto these santanie heresies, do so under the benign cloak of "democarcy" to achieve democratic goals. We do not have--the greatest hoax in all history. But tragically, the one-racket, by which all the great empires of the past have been overthrown and their people exterminated, as in Russia, before a our own eyes.

When people hold up what "Europe" thinks or does as example for us, and the same crowd hollers "bigots", or rails against "discrimination" yet have the gall to teach us "tolerance and brotherhood" while working like mad to poison our water (flourilate) - either crown them with your chair or get your pitchforks tuned up, remembering the treatment Christ accorda His enemies--which are the same today.

This "mixing" program is intended to destroy God's Creation image children, which the NEGRO IS NOT, and will bring the "fire and brimstone" just as surely as the "mixing of the Cainites and the Sethites brought the flood.

To this end, you are invited to turn to the story, as recorded in the Bible, of how God instructed both Moses and Josua to go in and possess Canaan--to utterly destroy both man and beast--as before the flood.

This was to destroy every trace of these remaining mixed children before the negroes. "banishment to the African Jungle where some here belong today.

Consult our book list for for other work by Mrs. Jenkins. Ed.

THE ORIGIN AND STATUS OF THE NEGRO--THE DIVINE WILL Mrs. Jessie Jenkins.

In compliance with your stipulations as to documentation and word limit, permit me to say that these restrictions preclude an adequate exposition of the Color Problem--One of the most vital issues confronting us.

Because our colleges have so seared the minds of the last two generations, which have also influenced dotting parents, it has become the popular trend to accept ideas promulgated by "propagandist" in in Educators' carb, as the gospel truth. And of course, the modern preachers, under the same malign influence and delusion, have promoted them from their pulpits, contributing to the perversion of God's truth and the apostasy of our times.

This follows the same pattern that has come down from Babylon, over 2500 years ago--as outlined in Ishtar--and even preceding the flood, so let us hope that at least it will generate some thinking and an earnest search for the truth, that we may avert the tragedies of the past.

It is recorded in the sixth chapter of Genesis that when God looked down upon the earth and saw the wickedness of man, it repented him that he had created man upon the earth.

He resolved to destroy both man and beast, save a suitable remnant, and so conceived the plan of cleansing the earth for a new birth unto the righteousness, by the baptism of the flood.

But Noah, who had preached righteousness for 120 years, found favor with the Lord, and he and his family were saved from this earth shaking deluge.

Accordingly, they were instructed to the last jot and tittle, as to the plans, the laws and purposes of God, for the preservation of his CREATION image of man--to steer the future course according to his plan for the redemption of the earth for the curse of Eden.

After the flood, when Noah sought to "save the juice" of the abundant crop of grapes by putting it away in bottles, and which fermented, producing an entirely new product, he was utterly unaware of its effects.

When the still unregenerated heart of Can sought to ridicule his father-God's own priest--this was a brash attempt to discredit his father's priestly offices, so as to perpetuate the very things for which the flood had been sent.

When Noah awoke and knew what his younger son had done--that is, as he was moved of God--he pronounced the curse of Gen 9:25, which was to fall upon his posterity--as A PERPETUAL REMINDER OF THE CURSE OF SIN.

Sometime later, these black children--diverse from his other children--began to appear in the family of Cush, also Canaan, because this land fell to his lot.

In view of the righteous outworking of the plan of the righteous Judge of the earth, we may safely conclude that this curse fell upon Cush, father of the wicked Nimrod, originator of "Babel" and Babylon, because, we cannot find any evidence of protest on the part of his father.

In the absence of precise records, we conclude from Dr. John Kitto's history of the Bible, published over 100 years ago, that it was probably some 70-80 years before they had increased and intermixed with their other brothers and cousins to present a real menace.

so his dad tried him elsewhere. When the father died the son took over the business, but in four years the stockholders had to buy out his interest to avoid bankruptcy. Is the boy now on skid Row, a bum and a failure? Certainly not--for once free of dad's direction and financing, the son organized a paper box company, one of the most successful in the country.

The financial drain put upon the United States is a vast strain upon our tax-payers and a grave danger to our business structure, but that is but a minor danger to us. The chief danger is that by direction of our false friends, together with our declared enemies in the United Nations, our entire constitutional setup may be destroyed.

And there are those in the American delegation of the United Nations working day and night to accomplish the socialization of our basic law.

These dangers fall so far outside of the daily experiences of most of our citizens that they do not fully grasp what Eleanor Roosevelt and the Phillip Jessups are trying to do to America.

My conclusion is the only safe course for America is to resign from the United Nations.

Thomas Jefferson advised: "Friendly relations with all nations--entangling alliances with NONE" The membership in the United Nations gives us entangling alliances with all nations and true friendship with none.

MUDDLED.

by

George James.

I have just returned from a trip up north. Chicago and New York. On this trip I discovered that I'm Mr. James, a poor colored gentleman who gets kicked around by the southern white folks.

On this trip, one I paid for by picking cotton, and at a good price, I found that as a colored man I am more important than ever. From some reason about everybody who speaks english with a queer sound, has hammered into my ears the fact that it is I who should be holding public office. Wasn't I a worker? Didn't I produce the wealth of this country? Wasn't I as important as any damn white southern loafer living? In fact I was asked if I didn't want a white woman for my own? Not having the answers I was loaded with books, leaflets and other trash, all of which went into the manhole that leads to the sewer. As a southern negro, my welfare is to be closely wrapped up with the white man to mess with that kind of mental food.

In New York the same kind of people took to me like flies to molasses. They, having been informed I was a writer, and perhaps lead on by being shown a copy of the Howling Reporter, wanted me to stay on. All that I needed was to be put on the right track in my thinking. The right track was the one that shows that the minorities should be given more rights. We were the down-trodden. I did agree that a lot of my race lacked many things, and perhaps did get cheated sometimes, but, I couldn't swallow the one about them being down-trodden, for all seem to be in some business or had more than their share of the good things of life.

Back home I'm still muddled. Why is it the Communist want us so badly? Just where can we fit in with their schemes? Why does the Yillish want our support? On the face of it both the communist and the Jew wants to save us, but, why is the question that ads up to the \$65 one, and we haven't the answer.

Instead of so many JEW CATSPAWS--such as Anna M. Rosenberg and Dwight D. Eisenhower--being given Medals of Honor by these people for serving their purposes, Let's NOMINATE A FIGHTING CHRISTIAN AMERICAN, for a change, FOR THE VERY HIGHEST MEDAL OF HONOR AND HEROISM THIS REPUBLIC CAN BESTOW! And let's make of this word, "McCarthyism," an accolade of AMERICANISM! Let's quit, once and for all, pandering to these lovers of FOREIGNISM, INTERNATIONALISM, MARXISM, and the sort of favored RACISM (favoring the ALIEN MINORITIES) which is their fetish, WHY doesn't some one set up an endowment fund for perpetuating Patriots--Christians Constitutional American Patriots? Why not publicly CROWN PATRIOTS-- instead of all these silly beauty pageants where someone is being made a "Queen", which is directly contrary to genuine Americanism?

... Rather than the guillotine chosen by the French mobs, at the behest of their Evil Minorities, to destroy their Aristocracy of race and breeding, WE choose the more subtle means of teaching our young the idiotic Communist line of "equality," and bring our highest down to our lowest. We practice the false French slogan, "Liberty, Equality, Fraternity," and thus destroy our ruling race by advocating and promoting MONGRELIZATION. This Big RACIAL LIE is promoted by Truman, Stevenson and Eisenhower (at the behest of their masters, the ALIEN MINORITIES) for the sly purpose of getting votes for themselves, regardless of what it does to our Race and our Country. It is WITH MALICE AFORETHOUGHT that the best youth of America is dispersed over the world, particularly in the Oriental countries, and compelled to fraternize with all sorts of colored men and women, in order that they may be conditioned for easy acceptance of such camaraderie and contact. Japan has a huge quota of unwanted bastard hybrid babies that have been abandoned, while both White and Negro GI's bring back to OUR COUNTRY many thousands of Colored women. I am informed by a Japanese that for every Whiteman who brings back an Oriental woman, there are EIGHTY Negro GI's who have picked up loose women in Japan and brought the, back to America as their "brides."

All these fateful things written in my book, ALIEN MINORITIES & MONGRELIZATION, are rapidly coming to pass--while the book itself is suppressed by the Evil Minorities and not allowed to be advertised, displayed, or sold in book stores, and the writer is smeared, slandered and libeled by THE BIG LIE hiding behind the little Jew-coined word "anti-semitic," which word just scares the pants off most of our alleged "Christians", who have not the right heart to PREPARE YE THE WAY OF THE LORD, by getting rid of the termites who infest our Constitutional Republic.

Why are Christians here on earth, if not to OVERCOME EVIL, and make plain the Way of the Lord; to ACTIVELY bring in His KINGDOM. Many of our slothful Christians sit on their hands, waiting for Christ to come and save them. WHY should HE? They want HIM to do their dirty work; as if He didn't do more than His share when He was on earth before. He left definite instructions for THEM to "Occupy till I come:" for THEM to overcome Evil, so that the Government might be upon His shoulders. Ergo, they were to be MILITANT, courageous, active Christians--not just passive dishmops or sponges, absorbing, containing and accepting every known species of evil in their Country.

This writer has little respect for the kind of sniveling White "Christians" who never want to take a stand for anything which involves the destiny of their own Religion, their own Race, their own

THE BIG LIE.

by
Marilyn R. Allen.

In our newspaper recently were two disgusting headlines; "Truman Hits Smearing by 'Big Lie!'" and "Demos Charge Ike bows to die-hards, attack Taft," says Senator J. Wm. Fulbright who, after all, isn't very bright. HE is a Rhodes scholar and a One Worlder, and it goes hard with this type of person to see any Patriot standing up for his Own Country, so he recommends to his One World buddy Adlai Stevenson, that he lay down a barrage smearing Senator Robert Taft for the latter's "Isolationist" tendencies. Actually, Isolationism, as Congressman John T. Wood has so aptly defined it, means "Patriotism in action." Patriotism has indeed hit a new low when a U.S. Senator wants to smear a fellow-Senator (or any other Patriot) who fights for AMERICAN interests. It's a wonder some of these One Worlders do not hang a sign in the Senate; "All Who Enter Here, Must be for AMERICA LAST!"

Mr. Truman as usual, drags his own Country's dignity in the dust when he addressed the National Conference on Citizenship, at which he is himself the greatest exponent of "Smearing by the BIG LIE," when he says; "We have been waging a relentless fight against this internal attack by Communism. As a results, Communism inside this Country has been badly beaten!" What does he mean, "WT?" When did HE ever fight or expose any Communists- except by designating the whole subject as "Red Herrings" and the exposures by the committee on Un-American Activities as "asinine?" And HOW do you beat the internal Communist (Marxists is the correct word) to their knees by always attacking, smearing and giving the lie to those particular Patriots who have been most valiant and solely responsible for focussing the spotlight on Marxist-Communism in Washington? By his own words, Truman stands condemned, when he says; "A man who uses the weapon of the Big Lie is not a good man. He should be rejected by all citizens regardless of party."

When all the chips are down and the drama has been played out, it will be interesting to see whither History gives the Place of Honor to TRUMANISM or MCCARTHYISM. The muck and the filth of corrupt party politics, the nauseous odor of the Invisible Government, the shed blood of our martyrs in Korea, will undoubtedly cling to the man who held the highest office in the Land and made full use of all its prerogatives for himself, his family and his henchmen-- the while he denounced GENUINE PATRIOTS, smeared them, and sold out his own soul to the Militant Alien MINORITY. He betrayed a sick, war-weary, debt-ridden, disillusioned people into a THIRD WORLD WAR, in which the youth of America had no chance to win--only to die. Our gallant youth have spilled their blood and their glittering gallantry and unequalled heroism over the black, dreary, unrewarding Oriental hills of Korea. While little pee wee, ambitious politicians at home took pot shots at each other (NEVER AT THE REAL ISSUES). Then, such as Ace Marine Joe McCarthy, who tried to fight almost singlehanded the same sort of enemy at home that our soldiers are suppose to be fighting abroad. He was virtually buried under an avalanche of abuse and hate and bigotry, emanating from the TOP and ably abetted by the "kept" press which always yowls for the Minorites. * One redeeming feature of this whole MESS is that this same Joe McCarthy likewise got buried under an avalanche of vindicating VOTES by the good Americans in Wisconsin!

Sacred Cow's followers are to be exempt, but all of us will be equal with no reward for skill or education. The word stinks so long as it stands for.

We do not need the Holy Cow of the Society for the Advancement of the Colored People. We have no need for the Popeyed Holy Cow of the Anti-Defamation League, no more so than we need Joe Stalin's Cow of Communism. All of these Holy Cows are enemy of our nation and our White people. We don't need the police action of the Anti-Defamation League's Popeyed Cow nor its Gespo. This America belongs to American's. It should belong to the majority, even if our foreign born feel that we need someone to govern us. We feel that the Anti-Defamation League should be outlawed just as the non-American Communist were. We also say that the Society for the Advancement of the Colored People should be placed in the same category and so outlawed. It is time we stopped the Holy Cows from hogging our political and business life.

The two cows we have mentioned are dangerous to our way of life. They both creating hate, revolt and perhaps armed resistance to our government. They both as dangerous as the Communist, and we say more so, for the simple reasons, they have corrupted our whole political system Press and Church by propaganda. They have bored from within, and through trust in them, they have built up powerful followings to such an extent that our government offices of trust are to a large extent in their hands.

It is time we of the White Gentile race wake up and look to our national welfare. It is time we studied these Sacred Cows and their following and quit playing with them. Our Heritage in this country of ours is slowly slipping from our grasp. The time has come when we must stop pampering these minority groups and make them an outlawed outfit just as we did the Communist.

A great many white citizens think that now that the election is over, all will be well. But it won't. We are on the skids and these groups have greased the way. The Politicians in most cases are their tools. The Churches want more Christian-Jew blarney and they are doing all they can to break down our racial standards so the nation will end up as a mongrel one. We have so-called Christian Preachers defending these subservise minorities. Our Press, for fear of advertising losses, praise these minority, or perhaps hide behind soft peddling news that is harmful to them. A lot of un-bright white citizens as well as writers play down the White man and give the Holy Cow's followers a hero's place. Our Schools, our church and our government has gone to the Holy Cows and our White American wobbles along feeling he is secured in his citizenship.

Now, with America fighting to save its way of life, the White American citizen must wake up and take action to protect themselves from these subservise Holy Cows. We must demand of Congress law that will stop their encroachment upon our Republican form of Government. We should demand a full investigation of these outfits and at once. We should know where they are getting money from, and the names of the individual donator or pay-off man. We want the mask torn from their cows just like we have done with the Communist. If we don't do something like this, we can expect to lose our heritage in this nation of our and too soon, at that.

There is no doubt but what the Two Holy Cow outfit we have mentioned expect to mongrelize this nation. It is a fact that if we do permit social mixing, it will bring on the mongrelizing we speak of. Do we want that? The answer must be given by the White

man No one else can answer that question but the White man.

-If our politicians and our Congress refuses to protect our Nation from these subversive groups, then it will be up to the White man to create a Holy Cow of his own. It will be up to him to create a Super-Dupper Sacred Cow who is so damn jealous he wont stand for any other Holy Cows around. He will create a cow that is above all cows and one that isn't Red, Pink, but RED-WHITE - BLUE and wont stand for anyone to worship any but it. If we must have a Sacred Cow to please our politicians, our Parsons and our Press, then let have one that wont stand for no tinkering with our constitution or our rights as a majority. Let us have a Cow that is hell on patriotism, sound Americanism, and nothing less. One that wont stand for foreigners to rule us. One that thinks we are nice folks and need no re-doing to suit others. Just a good old plain American Cow, dressed up to put fear in all Sacred Cows and politicians and Editors. The kind that George Washington and his boys had in the start and which lasted until Roosevelt let strange cows take over our pasture.

The End.

With the election over most of our citizens will roll up and go back to sleep politically. We will let the politicians and

the minorities rule our nation. We wont stay awake and plan on seeing that our office holders respect our interest first, last and always. It is because we go back to sleep politically that this country is today being torn down and its money inflated, and wars are proclaimed in our name.

If the people had been awake the UN would not have been foist upon us, and if it had never been give life and blood from our veins, it would not have taken our sons and placed them on foreign battle fields to shed blood for others.

The neglect of our citizens is the real cause of our trouble today, not the politicians, for politicians being what they are, they just grasped the opportunity when we slumbered. It was us, not, they so from now let us stay awake and make sure that the man we elected to office sticks to Americanism and American interest, and thus save our nation from Socialism or Communism. We need neither and wont get it if we stay awake. Let us this year be on guard. Let us preserve our heritage, our national life and hand it down to our children.

THE HOLY COWS OF AMERICA.

By
Harry William Pyle.

In almost every backward nation, some religious outfit sets up some animal as sacred and the followers give special treatment the Holy animal they have created. Its un-touchable, un-eatable or it gets all the fat of the land while the followers live on the lean side. Nice going for the sacred cow or you name it, but a bit hard on the followers.

IN America we don't go in for un-touchable cows or cats, but we do permit un-touchable citizens to go to far in ruling our political roost. They not only demand special treatment from the citizens, but demand that we all live as they want us too, and like it.

Here in America we have two set-ups that are sacred. They want all the political gravy, all the good things and not only demand it, but are forcing their will upon the unbelievers. They have an idea that they are the chosen few who know all the answers. They are the Sacred Cows of America and like all such, they ask for more than common sense permits. They not only demand from their believers, but demand that all unbelievers submit to their way as well.

One Sacred Cow outfit is the Society for the Advancement of the Colored People. It has set its self up as special. It must have F.E.P.C, so that its followers may secure jobs over unbelievers. It must have a place in White Churches, Schools and all places where the White Unbeliever wallows in sinful segregation of their own kind. This Sacred Cow outfit is demanding that the unbelieving Whites should permit inter-marriage so that in time, the Sacred Cow wont have any unbelievers. All will be mongeralized worshipers..

The Sacred Cow of the Society for the Advancement of the Colored People wants all the gravy. It wants the heritage that belongs to the White Man. It wants to tear down the White Man's civilization and stop his advancement toward a better way of life. It wants to retard the White race and make him a victim so he will worship it. It wants to give the negro power over the Whites. It, The Sacred Cow, wants to ruke our government, and our public officeholders. It wants to choke us off and make us weak kneed followers of its un-Godly Sacred Cow.

In America there are quite a few White citizens who are worshipping at the Shrine of the Sacred Cow set up by the Society for the Advancement of Colored People. So are most of our dumb politicians, who worship at any Shrine so long as it gets them a few votes. The politicians not only worship at this Special Sacred Cow's Shrine, but, they are handing over our White Man's heritage to the Holy Cow's followers. In dumb admiration of the Holy Cow, the American citizen soon will be stripped of his heritage, his shirt, his way of life, for politicians being what they are Sacred Cows have votes.

Of all Holy Cows, the Sacred Cow of the Anti-Defamation League beats them all. It demands that all unbelievers shall be blind to its faults. It demands of un-belivers a closed mouth. It will not permit a Gentile unbeliever to speak of it except in glowing terms of worship. This lousy, un-Godly, Sacred Cow of the Anti-Defamation League has set its self up as the Holy Cow above all Holy Cows, and Un-American as it is, Gentile Church leaders, politicians, Lodge brethern and Union Brothers as well as the Press worship the Cow and pay homage to its followers. Even the Press gives it special privileges and publicity against non-belivers.

4.

The POPEYED SACRED COW of the Anti-Defamation League has most of its followers from the ranks of foreign born, internationalist minded people, One Worlders, Communist and Socialistic minded mud-
dlers as well as few of those who have set themselves up as God's Chosen people. Having created this Special Holy Cow, they want to force upon all gentile white men their Cow's special treatment for unbelievers, which is, the handing over of all heritage, all political rights, all business, all professions and, a bowed head to all minorities. Quite a lot for a stinking cow with Pop Eyes, a red skin and a yen for control of all people.

Look at it in any light, just why does America need these Sacred Cows? Why is it necessary for any minority to set up some Sacred Rights and demand special laws to protect them against all citizens. Why is it necessary for the Anti-Defamation League to be a Sacred Cow in the first place? Why, is the question we all in America should get an answer to, and that fast, or else be a victim of their special Sacred Cow.

In the first place, we do not need any Anti-Defamation League. If the Jews are living within the law, living as all citizens should live, playing honest, not asking for special favors and not in any way trying to take unfair advantages, they do not need to fear any one taking undue advantage of them. It is only when minorities try under-handed tricks that they must organize to protect themselves. Our laws and common sense and justice grants them all the protection they need, that is if they stay within the pale of the law and above board in dealing with others. We must say, that if they must set up the Sacred Cow of their liking, then they are not playing fair. No doubt our readers can find the truth of this matter if they will only look for the nigger in the wood pile.

(Read footnote at bottom of this article for information that is bound to show the reader where the nigger is.)

To cover all the Sacred Cow's reasons for being here, we would have to write several book length, then cover only a few of the acts that dam it as subversive. Let us just take a News item from the Commercial-Appeal, Memphis, Tenn, November 2nd, 1952. It says, "Arthur J. Levin of Atlanta Ga, here attending a meeting of the B'nai B'rith Anti-Defamation League, says, The League's efforts are directed toward making democracy more effective in everyday life by community education."

What does this Arthur J. Levin mean when he says, "making democracy more effective? Nothing else but breaking down all our racial bars and handing over our heritage to the negroes and foreign born from Asia and Europe. Why is it necessary for an organization like the Jewish B'nai B'rith and its Anti-Defamation league to step in and want to change our American way of life. Does pink or maybe red Holy Cow feel that the White Gentile doesn't in anyway know how to live? Isn't it rather far fetched for this outfit who perhaps are not even American born, going beyond common sense, in telling us what we must do and who we must associate with?

When you read Levin's statement, you can see why the Sacred Cow of the Anti-Defamation League is here. You can realize why they want to police the American White man's thinking and words. Why they will not permit our American citizens to speak out to defend their America and heritage. This fellows "DEMOCRACY" is the give away.

Joe Stalin talks "Democracy". So does the Socialist, so does all radical elements. DEMOCRACY, the word stinks and so those who prattle it. It places all humanity upon a common level, perhaps the

On January 15, 1953, [redacted] of the
 Memphis Police Department voluntarily came to the Memphis Office
 of the FBI and advised SA [redacted] as follows:

b6

 b7D

[redacted] A few months ago, one HARRY W. PYLE moved into the house
 at 3601 Lloyd Circle, [redacted]

Recently PYLE approached [redacted] seeking information
 which [redacted] might be able to provide PYLE which would tend to
 show that negroes commit more traffic violations, in proportion to
 their numbers, than do white people. When [redacted] asked PYLE why
 he was seeking such information, PYLE said, to the best of
 [redacted] recollection, that PYLE was a "white supremacist" advocate
 and wanted to publish such figures in his private monthly news-
 paper called the "Political Reporter", published and edited by
 PYLE at his home.

b6
 b7C
 b7D

PYLE gave [redacted] a copy of the December, 1952 issue,
 which reflected it to be Volume 2, No. 4. [redacted] read it and said
 it appeared to him to be very anti-semitic and anti-negro, while
 at the same time being anti-Communist. [redacted] said he was per-
 turbed to see such a paper being published; as it may be subsc-
 ribed to for \$2.00 a year and will be mailed anywhere within the
 United States. [redacted] wanted to keep the copy of the paper,
 but volunteered to cooperate with this Bureau should any investi-
 gation concerning PYLE or the "Political Reporter" ensue.

b6

 b7D

For the information of the Bureau, the following informa-
 tion on PYLE and the "Political Reporter" is contained in the files
 of the Memphis Office:

On July 25, 1952, [redacted] orally advised SA [redacted]
 that a Mrs. DONNA COOPER of Memphis, whose son was killed
 while in the United States Army in Korea, had arranged for MILDRED
 McGURTY, later elected as Tennessee State Secretary of the Pro-
 gressive Party (and who admitted to [redacted] being a member of the
 Communist Party), to see PYLE. COOPER was a protege of PYLE.

[] said that MILDRED McGURTY and her husband, LAWRENCE EDWARD McGURTY were, at the time, trying to exploit DONNA COOPER's feelings about her son and to interest her in the Progressive Party, aka PP. (L. E. McGURTY was at the time and still is one of the two leaders of the CP in Memphis, Tennessee.)

At the time the 1951 Memphis City Directory listed HARRY W. PYLE, wife FRIEDA PYLE, as living at 22 Angelus Street, Memphis, and showed him as the owner of the house and listed his occupation as that of an interior decorator.

On July 28, 1952, MILDRED McGURTY advised [] that on July 27, 1952, MILDRED and L. E. McGURTY had contacted PYLE and his full name was HARRY WILLIAM PYLE, who published a monthly mimeographed paper "The Howling Reporter" which MILDRED described as Fascistic and critical of the TRUMAN administration. MILDRED also said PYLE's paper was anti-negro and pro-Aryan. The McGURTYS tried to sell PYLE on the PP and its program, but he took direct issue with them and they were unable to influence him.

On August 2, 1952, [] advised SA [] that on August 2, 1952, MILDRED McGURTY stated that DONNA COOPER was to meet with the Memphis PP group on August 3, 1952, but MILDRED felt that PYLE was "poisoning" COOPER's mind against the PP.

Relet Memphis to Bureau 2/5/53 captioned as above.

On 2/10/53, Mr. MELWYN DAN, residing at 4847 Gwynne Road, Memphis, Tenn., phone 4-4210 and who is assistant manager of the E. H. Crump & Co., investment bankers and insurance, 110 Adams St., Memphis, Tenn., phone 8-6671 appeared in the Memphis Office.

Mr. DAN said that he was a member of the ANTI-DEFAMATION LEAGUE of the B'NAI B'RITH. He said that a short while ago, Mr. SAM MYAR, JR., attorney, Commerce Title Bldg., Memphis and who is Tennessee State Director of the ANTI-DEFAMATION LEAGUE received a communication from the Regional Director of the ADL in Atlanta, Ga., asking MYAR about "THE POLITICAL REPORTER" and its editor and publisher, HARRY W. PYLE.

DAN explained that the A.D.L. is very much concerned about the anti-Semitic nature of the above paper. DAN stated he did not have access to the contents of the letter from Atlanta to MYAR but that MYAR had told him that the A.D.L. knows that PYLE is getting a lot of his material for his paper from an anti-Semitic organization in New York City and that a representative of the unidentified New York City organization purportedly has visited PYLE.

DAN stated that the A.D.L. intends to investigate PYLE and the POLITICAL REPORTER provided such investigation did not interfere with any investigation the Bureau might be conducting of PYLE and his paper.

DAN was advised of the confidential nature of the FBI's files and was advised that the FBI could not tell the A.D.L. to investigate or not to investigate PYLE; further, the Bureau's responsibilities in the subversive field were explained to DAN and he agreed that any information coming to the A.D.L.'s attention indicating a possible violation of any Federal law over which this Bureau has jurisdiction would be willingly furnished the FBI by the A.D.L.

This information is being brought to the Bureau's attention for information and no investigation is contemplated unless advised to the contrary by the Bureau.

In addition to having received information relative to
PYLE's activities in the above organizations, various Bureau
offices have sent to Memphis copies of the Political Reporter,
which have been received in their territories and referred to
the respective offices there by the disgruntled recipients
thereof.

It appears therefore that PYLE's activities in organi-
zations of this type are quite extensive and that his publica-
tion is receiving wide distribution.

To date, no extensive investigation has been conducted
on PYLE by this office and specific leads have been handled as
they have been received, by furnishing an identification of PYLE
and a description of his publication. It appears, however, that
in view of his wide spread activities, that an extensive inves-
tigation should be conducted, suitable informants developed, and
therefore Bureau authority is requested to initiate this inves-
tigation. It appears more logical to investigate PYLE and his
paper, rather than the various organizations with which he has
at one time been connected.

By separate communication, there is being forwarded to
the Bureau a Request for Mail Cover Authorization. It is be-
lieved that a mail cover in this matter will be very effective
and can be placed without any possibility of embarrassment to
the Bureau.

The paper is favorable to the KKK and similar organizations and PYLE was reportedly a member of the Klan at one time. DETAILS: Instant investigation was initiated by this Office on the basis of information received from Memphis Confidential Informant T-1, an individual who has furnished reliable information in the past, that "THE POLITICAL REPORTER" was a Ku Klux Klan type of publication, was being circulated widely throughout the United States, and that the Editor thereof, HARRY WILLIAM PYLE, was highly antagonistic toward various minority groups in the United States.

EDITOR AND PUBLISHER

All copies of "THE POLITICAL REPORTER" which are available to this Office reflect that HARRY WILLIAM PYLE is the Editor and Publisher.

On April 13, 1955, SA [] contacted Miss ALICE GORDON, Clerk, Office of the Secretary of State, State Capitol Building, Nashville, Tennessee. She checked the records of that office and advised that she could find no record of incorporation on the part of (1) The Political Reporter, (2) the Pro-Southerners, (3) the Knights of the Kuklos Klan, of (4) the American Majorities Protective League.

The initial publication date of "THE POLITICAL REPORTER" is not known at the present time. The earliest issue available to this office at present is that of March, 1953, which is designated thereon as Volume 2, No. 7.

ADDRESS

address
All available copies of "THE POLITICAL REPORTER" reflect the address as 3601 South Lloyd Circle, Memphis 8, Tennessee.

Memphis Confidential Informant T-1, an individual who has furnished reliable information in the past, advised on March 31, 1955 that the above address is the residence of HARRY WILLIAM PYLE and is a small 2-bedroom house. Informant states that PYLE has recently added a crude room on the back of his house which T-1 believes is being used for an office and contains PYLE's mimeograph equipment.

EQUIPMENT AND SUPPLIES

Memphis Confidential Informant T-2, who has furnished reliable information in the past, advised on March 9, 1955 that PYLE has stated that he prints "THE POLITICAL REPORTER" on an inexpensive mimeograph machine and would like to buy a better machine but cannot afford to do so.

Memphis Confidential Informant T-2 also stated that PYLE has commented that he buys paper from a Memphis printer and uses a cheap grade of newsprint normally used for circulars. Informant noted that PYLE's paper is actually printed on a 9-inch by 12-inch sheet. PYLE pointed out to T-2 that he cannot buy paper from the wholesale paper supply houses in Memphis because he is not a recognized printer.

Memphis Confidential Informant T-3, an individual who claims to [redacted] and who is a [redacted] advised on March 29, and 30, 1955 that PYLE claims to be unable to afford a better printing job on his paper. PYLE indicated to T-3 that he was handling the entire job of printing and mailing "THE POLITICAL REPORTER" with no assistance other than the nominal assistance of his family. PYLE also claimed to be buying his paper supply from a printer located on Madison Avenue in Memphis. It is noted that there are numerous printing establishments on Madison Avenue. T-3 surmised that PYLE was buying his paper stock from the Henderson Printing Company, 1910 Madison Avenue, Memphis, Tennessee, operated by JOHN L. HENDERSON and his son, JOHN L. HENDERSON, JR. T-3 could give little basis for this assumption, although it is noted that he has considerable knowledge [redacted] b7D

Informant noted that PYLE claimed to be buying 60,000 sheets of paper at a time and that this volume would last him for approximately three or four months. PYLE claimed to be paying \$1.50 per thousand, which T-3 states would indicate that the paper is not coming directly from a wholesale supply house. T-3 pointed out that with "THE POLITICAL REPORTER" normally having twelve sheets printed on each side that the above useage of paper would reflect a circulation of 1500 to approximately 1900 per month.

SPONSORSHIP

The exact sponsorship of "THE POLITICAL REPORTER" is unknown at the present time, although it will be noted that the following organizations have been mentioned favorably in the copies of the publication available to this Office:

~~PRO-SOUTHERNERS~~
~~AMERICAN MAJORITIES PROTECTIVE LEAGUE~~
~~PATRICK HENRY ORGANIZATION~~
~~KU KLUX KLAN~~
~~NATIONAL RENAISSANCE PARTY~~
~~UNIVERSAL AFRICAN NATIONALIST MOVEMENT~~
~~PACIFIC WAR VETERANS OF AMERICA.~~

~~NATIONAL DEFENSE LEAGUE OF AMERICA~~
~~NATIONAL CITIZENS PROTECTIVE ASSOCIATION~~
~~KNIGHTS OF THE KUKLOS KLAN~~

The details regarding "THE POLITICAL REPORTER's" support of the above organizations will be set out in detail hereinafter.

Relative to the Knights of the Kuklos Klan, on March 30, 1955 PYLE advised T-3, supra, that this was the organization with which he was connected. He claimed that the Kuklos Klan was modeled after the original Ku Klux Klan of Reconstruction Days of the South and was a fine organization.

Also, on March 9, 1955, PYLE gave T-2 two mimeographed sheets which strongly recommended the Kuklos Klan as the rightful successor of the KKK of the Reconstruction Days. These sheets contain a reprint of an article from the November, 1954 issue of "THE POLITICAL REPORTER" entitled, "From Out of the Hidden Past, by the Imperial Dragon, Knights of the Kuklos Klan."

DISTRIBUTION OF THE POLITICAL REPORTER

Memphis Confidential Informant T-3, supra, advised on March 30, 1955 that PYLE has stated that he mails individual copies to various individuals throughout the United States and sends packages of multiple copies of "THE POLITICAL REPORTER" to organizations in the following localities:

New Jersey
Fort Pierce, Florida
Detroit, Michigan

PYLE pointed out to T-3 that a "New Jersey printer" wanted to publish "THE POLITICAL REPORTER" on a percentage basis, but did not explain further. Regarding the organization in Fort Pierce, Florida, PYLE stated to informant that some Fort Pierce businessmen wanted him to come to Fort Pierce and publish a weekly paper in opposition to one published by an "English Jewish woman which favored Negroes."

Relative to the above distribution, on March 9, 1955 PYLE stated to T-2 that he was sending 3200 copies of "THE POLITICAL REPORTER" to Manning, South Carolina. T-2 is inclined to believe that while PYLE is undoubtedly sending a substantial number of copies to Manning, South Carolina, he has exaggerated the actual distribution in that locality.

ME # 100-3214

Also, regarding the distribution in New Jersey, PYLE commented to T-2 that H. L. ABERUM, SR. in Trenton, New Jersey is helping to finance the paper.

There will be set out hereinafter a list of individuals who on March 7, 1955 were mailed copies of "THE POLITICAL REPORTER." There is no information available at present as to whether or not the addressees of "THE POLITICAL REPORTER" requested the paper or were merely getting it gratuitously. An indication of PYLE's practice of sending the paper to people who had not requested it and who were in fact highly opposed to it can be found in the fact that numerous individuals have called it to the attention of this office and other Bureau Offices. These people had no knowledge as to how their names got on "THE POLITICAL REPORTER" mailing list.

A specific example of PYLE's practice in this regard is that on March 15, 1954, Mr. ROBERT DISHEROON, Krauss Cleaners, Memphis, Tennessee, furnished reporting Agent with a copy of the January, 1954 issue of "THE POLITICAL REPORTER", which he claimed he did not request and does not believe anyone else requested it be sent to him. Mr. DISHEROON was particularly incensed over the receipt of this publication and pointed out that it was stamped on the outside, "Mailed By Request." This paper had attached to the front cover a mimeographed sheet bearing the signature of PYLE, which is as follows:

" ***** NOTICE* READ.***** "

"Dear American Citizen:

"A well known and highly respected citizen of our community sent us a list of Patriots, your included, and asked that a copy of the next issue of the Political Reporter be sent to each name. He also requested this note be sent along, asking that you read the Political Reporter with an open mind and evaluate it's contents, so that you may get a broader conception of just what all these Communist movements are and where they are leading us as they, the Communist prepare to take over our beloved America. He felt that if you viewed the Communist move in it's true light, and knew where it's leading us, you would want to subscribe to the Political Reporter so that you could keep up with the movements and be able to defend this land of ours more effectively.

"While the Political Reporter is a mimeographed publication, and a one man project, the writers who supply the material each month

ME # 100-3214

are all well known throughout America, Canada, England, and South Africa, for their full understanding of what Communist do and why. They write from documented material or from factual news. Their articles will give you soundly thought out material so you can urge or argue more effectly against our mortal enemy. COMMUNIST.

"Hoping you find this copy informative and that we may have your subscription and cooperation in fighting communism, we are,

"Yours for a Free America,

/s/ Harry William Pyle

Harry William Pyle. Editor. "

On March 7, 1955, Memphis Confidential Informant T-4, an individual who has furnished reliable information in the past, made available the aforementioned list of addresses to which copies of the February, 1955 issue of "THE POLITICAL REPORTER" were mailed on that date. On April 1, 1955, Memphis Confidential Informant T-4, supra, advised that he had observed two bundles of "THE POLITICAL REPORTER", each containing twelve copies which were addressed to the following:

OSWALD FOGLE,
Manning, South Carolina

Mrs. M. CONAN
1146 East Filmore
Phoenix, Arizona

ME # 100-3214

In addition to the foregoing distribution, Memphis Confidential Informant T-5, who has furnished reliable information in the past, advised on March 18, 1955 that a Railway Express truck frequently picked up packages at PYLE's residence, 3601 South Lloyd Circle, which packages appeared to contain multiple copies of "THE POLITICAL REPORTER."

EDITORIAL POLICY

There will be reported under this heading various excerpts from the copies of "THE POLITICAL REPORTER" which are presently available to this Office. These quotations will be limited to material either attributed to HARRY W. PYLE, the Editor, or to material which does not identify the author and source thereof. In order to clearly indicate the editorial policy of "THE POLITICAL REPORTER", the following excerpts are broken down under appropriate headings:

1. ANTI-SEMITIC:

The March, 1953 issue of "THE POLITICAL REPORTER", which is designated as Volume 2, No. 7, contains an article on page 13 thereof entitled, "Poor White Christians", by HARRY WILLIAM PYLE. The tenor of this article can be indicated by the following excerpts, which are paragraphs 1, 2, 5, and the last paragraph:

"Evangelist Billy Graham told a gathering of the gullible at Little Rock, Ark., March the 9th., that no nation has ever turned against the Jews and lived long afterward. He also intimated that this applied to the individual as well.

"At this time when the Anti-Defamation League, and other Jewish organizations are trying to force racial mixing, which will lead to mongrelization, along with bringing forces to bear to do away with the McCarran-Walter Immigration Act, which will open our doors to all the unfit, colored races and non-Christians, we wonder if this loudmouthed Billy isn't delivering a bill of goods that someone, other than Christians are paying for.

"Billy the Queer has funny ideas about God. He lead the gullible of Little Rock to believe that fighting the Jewish Communist, the Jewish racial mixers, the Jewish One Worlders, the Jewish Bookie, gambling house proprietor, Red Light promoter and all of the other disgusting professions, of which the Jews manage to get a strangle hold, God will punish not only the individual but the nation.

ME # 100-3214

In other words, a Christian is bound for Hell if he don't hand over his nation and his heritage to a non-Christian, the Jew. Candidly, I think, Billy the Queer would have sold Christ out to the Jews, if the question was left to him.

"If God's wrath is to be visited upon this nation, the Billy Grahams will be the instrument that brought it on when they preached, not Christianity, but, the Zionism's fast line. God will not pick upon us unless we break his commandments, not to mix. (Mongrelize)."

The April, 1953 issue of "THE POLITICAL REPORTER" on page 11 contains an article entitled, "Gentile Kosher", by HARRY WILLIAM PYLE, which contains the following, as paragraph 2:

"There is no law on the books that says I have to eat anything that doesn't please me. If I don't want some fellow with pimples or a hook nose fooling with my food, I can hump up my shoulders and say 'ITS NOT GENTILE KOSHER,' and I wont have it getting into my system. If I don't want a black skinned citizen messing with my ham and egg because it isn't GENTIL KOSHER, I wont have to accept it, even if Congress and the President of the U.S. have other ideas on the question. And to prove that Congress and the President are all wrong if they attempt the forcing upon me of another's junk, I can point to the Jews who stick to Kosher, like a dollar to their fingers, and reply 'you let them get by with it' and by all thats fair, I'll take on Kosher too, but, it'll be my own brand. I want my GENTILE KOSHER untainted by what I feel might turn my tummy.

The May, 1953 issue of "THE POLITICAL REPORTER", which is designated as Volume 2, No. 9, contains on the first page the following:

article
✓ "On That Gentile Kosher" by PYLE, which is as follows:

"If we wanted proof that there is Jewish GESTPO working within our United States, I think the mail that came after the Political Reporter was out, proves it. Four letters came to my desk. None of which came from the same part of the country, yet, each was so closely related as to wordage, that it proved, only one mind planned it out.

"All the letters were eager to get a list of who to use Gentle Kosher against. Eager-beavers, wanting to help, yet, at

bottom trying to lead the Editor into writing words that would sink him uner the jail-house or have a law suit that would mean ruin to him. Yes, there is a slimy, crawling GESPO here in our FREE AMERICA."

Page 21 of this issue contains the following comments in caps:

"THE GENTILE AMERICAN CITIZENS--THE MAJORITY CITIZENS-- SHOULD WAKE UP AND GET LEAD OUT OF THEIR FEET. THEIR LIP SERVICE TO FLAG AND COUNTRY IS LEADING THIS NATION INTO THE ARMS OF THE JEW-N AND THE END OF OUR FREE AMERICA. THEY MUST WAKE UP, KEEP THEIR SENATORS AND CONGRESSMAN INFORMED AS TO THEIR WISHES. IT IS A CASE OF WHO SHALL RULE AMERICA--THE JEW-N, NEGRO-JEW COALITION OR THE GENTILE AMERICAN ITS TIME TO KEEP TABS ON YOUR LAW-MAKERS AND FIND OUT WHOSE BAND-WAGON HE IS ON. WHOSE HORN HE TOOTS."

The August, 1953 issue of "THE POLITICAL REPORTER" which is designated as Volume 2, No. 12, contains the following paragraph entitled, *Article* ~~"Comment"~~ on the first page:

"Wall Street Lard heads should realize that you can't cook your goose and still get eggs. They should take a lesson from the last of the Russian Czars. They loaded the people with taxes, the Jews stirred up a revolt. The Czar and his family landed in an early grave and the Jew Commies took over. But, who can tell a Wall Streeter anything? They are playing the Trotsky's game here in America. The little game that caused the loss of many gentile heads and their property, not only in Russia, but throughout many Iron Curtain Countries. Will the Lard Heads ever wake up here in America? We doubt it. They are to busy counting todays cash and failing to see the storm."

The June, 1954 issue, Volume 3, No. 10, contains the following on page 1:

"John Foster Dulles, having failed to get us into a war in Indo-China is now eyeing Guatemala, where the Trotskyites have found the other brand, (Stalinite Communist) are playing hob with the Jew owned United Fruit Company. If John has his way, American Youth will be getting killed to aid the Trotskyites whip the Stalinites and bring one more small nation under the Zionist One World Thumb.*** "

The January, 1955 issue, Volume 4, No. 4, contains the following on page 1:

ME # 100-3214

"WHAT RIGHT DOES THE GOVERNMENT HAVE TO USE ANY RELIGIOUS EMBLEM OR SYMBOL UPON ITS PUBLIC DOCUMENTS?

SHAPING OF THE 13 ORIGINAL STARS SO AS TO FORM THE ZIONIST STAR OF DAVID SHOWS POOR TASTE, AND IS A FORM OF PRPOAGANDA."

The January, 1955 issue of "THE POLITICAL REPORTER" on page 22 under the heading, "Editorials" contains the following, entitled "Smears Words Solve No Problems": Article

"The House UnAmerican Activities Committee's Report, with its front page flaunting OUR 13 ORIGINAL STARS shaped in the Zionist Star of David, proves to me that all of what this Committee has to say about NEO-FASCIST and HATE MONGERS shows that this Committee has no UNDERSTANDING of SMEAR, so someone with a HATE COMPLEX must have done the REPORT and left it up to the COMMITTEE to suffer the consequence. Something I think, they will have a hard time to live down. They solved no problems all this REPORT did, was to spew hate against Loyal men and women who boldly speak the TRUTH."

2. ANTI-NEGRO:

Page 21 of the March, 1953 issue of "THE POLITICAL REPORTER" is captioned "EDITORIAL CONTINUED", with a sub-heading, "Your 'Proud' Negro Capitol", which is as follows:

"Citing Eisenhower's pledge to use the office of President of the United States 'to wipe out the last vestige of racial segregation in the Nation's Capitol' the Attorney General of the United States--who hails from Jew York--has interferred in the Thompson Restaurant Case as 'a friend of the court' asking the U.S. Supreme Court to reverse the lower court's approval of segregation in eating places in the District of Columbia.

"Although the National Constitution specifically provides that Congress shall exercise EXCLUSIVE jurisdiction over the District of Columbia, the Attorney General who has ABSOLUTELY nothing to do with the affairs of the district, to help Ike-- the mongrelizer--make good a campaign promise, asks that the court to rewrite the Constitution by upholding an 1871 illegal act of the old D.C. 'feather duster' legislature--long since abolished. Thus the Ike Administration would enforce this totalitarian 'reform' upon more than 400,000 White people of the Nation's Capitol irrespective of their desires and heavy financial investments in restaurants and hotel properties. Yes, friend this is YOUR Nation's Capitol that we write about.

"(Some Change, eh?)"

The May, 1953 issue of "THE POLITICAL REPORTER", under the heading "Who Will Pay the FFEPC Freight?" the following one paragraph: *Article*

"Business men and women indifferent to FFEPC might do well to re-examine their taxpaying capabilities. Of course there may be a few small farmers and small business people who wouldn't be plagued immediately when the law is first enacted. Nevertheless THEY must PAY their SHARE of the COST. The most reasonable estimate is that the FFEPC monstrosity will cost the taxpayers at least \$3,000,000,000 the first year. When FFEPC becomes the law of the land, the taxpayers MUST pay the salaries of SWARMS of NEGRO, JEW, and assorted foreign enforcement COMMISSARS, and their staffs, in 48 states of more than 3,000 counties. The taxpayer MUST pay for FFEPC automobiles and the expences of running them; they must pay FFEPC's office rent, electric light bill, telephone bills, stationery bills, etc., in hundreds of localities; and when these commissars travel about the country on FFEPC business the TAXPAYER MUST pay their hotel bills and pick up their resturant checks. Then there is the little matter of paying the salaries of the commissars' Negro and Jewish secretaries, stenographers and clerks. So, the "Little business" people may be smart enough to outwit the commissars who make trouble for them BUT they won't get out of paying their salaries."

The May, 1953 issue of "THE POLITICAL REPORTER", on page 22 contains an editorial by PYLE entitled, "Summing It Up", which contains the following in paragraph 2: *Article*

"IN THE FEW MONTHS HE HAS HEADED OUR GOVERNMENT, HIS SOLE AIM HAS BEEN TO PROMOTE NON-SEGREGATION--IN ARMY CAMPS--WASHINGTON--FFEPC, AND LOOKING AFTER THE NEGRO WELFARE AT THE EXPENCE OF THE GENTILES."

Pages 20 and 21 of the June, 1953 issue of "POLITICAL REPORTER" contain a discussion attributed to the "Editor" regarding what is claimed to be a copy of a form to be used by the Government in connection with Fair Employment Practice legislation. This is as follows:

" 'A Stitch in Time Saves Nine' -- Prepare for FFEPC NOW.

"As a special free service to employers, and especially to the 'small' businessmen and women certain to be plagued with FFEPC, we have condensed and reproduced a copy of FFEPC Form CD-IO-A on the following pages. (Additional copies may be obtained from the Political Reporter at 50¢ per 10 copies.) Since each FFEPC Form

ME # 100-3214

CD-10-A will be carefully scrutinized by Jew and Negro enforcement commissars and as an inaccurate answer may result in a prosecution for perjury it is suggested that a careful study of FFEPC Form CD-10-A NOW could result in considerable saving in money and embarrassment LATER when FFEPC becomes law. So that the answers call for in this form may be readily and accurately compiled, employers should gear their filing systems and record keeping procedures to the spirit of FFEPC Form CD-10-A. Inevitably Jew and Negro organizations, such as the ADL and NNAC, will maintain employment offices in centers of employment and turned over to FFEPC enforcement commissars for investigation or prosecution. Therefore, to protect your interest it is suggested that all employment interviews be recorded on a recording machine or taken down in shorthand. When photostatic copies of rejected application for employment are required they can usually be obtained in the larger cities. An 8½ X 14 photostat may ordinarily be obtained for \$1.75 each. (EDITOR)"

The form referred to above was set out in detail in "THE POLITICAL REPORTER" but is not quoted herein as the above excerpt indicates the nature thereof.

The June, 1954 issue of "THE POLITICAL REPORTER", Volume 3, No. 10, contains the following on page 1:

"Since the Whites have been moved out of Washington to avoid mixing of the races, we wonder now, if President will issue an executive order forcing them to return so he can mix well and set the pattern for the South to follow in the Supreme Court's unlawful Act to force mixing of the negroes and Whites in the Schools. Or does he intend to move the negroes in to nearby states?*****"

Page 23 of this issue contains an editorial which begins, "ITS A CRYING SHAME to think that our present crop of Politicians are permitting 10 per cent of the population, (negro) and some 6 per cent Trotskyites (JEWS) to name the score on the segregation question." This editorial concludes with the following paragraph:

"And we must also organize and back only candidates who recognize these fats, and we must also make those who organize fully understand the importance of knowing who is behind it all. If we do not hot heads will take the law into their own hands and do the very thing these conspirators want done. Put the negro on their firing line."

The January, 1955 issue, Volume 4, No. 4, contains the following on page 1:

"WE MUST STOP THE FEDERAL GOVERNMENT FROM FINANCING ANY SCHOOLS IN OUR STATES. IF WE DO NOT, THE FEDERAL GOVERNMENT WILL FORCE UPON THE PEOPLE, RACE MIXING, AND PERHAPS FORCE WHITES TO ACCEPT NEGRO TEACHERS."

ME # 100-3214

"HUMAN RIGHTS IS NOTHING MORE THAN A LOT OF MARXIAN JARGON USED TO TRAP THE UNTHINKING, AND HELP TO CREATE RACIAL HATE AND BRING ON THAT COMMUNISTS 'DREAM' OF A BLACK REPUBLIC IN THE SOUTH."

The February, 1955 issue of "THE POLITICAL REPORTER", Volume 4, No. 5, contains the following on page 1:

"THE NIGERS IN THE SOUTH DON'T WANT TO GO TO SCHOOL WITH THE WHITES, AND THE WHITES DON'T WANT THE NIGER TO GO TO WHITE SCHOOLS, YET PRESIDENT EISENHOWER AND THE SUPREME COURT SAYS THEY'LL MIX AND LIKE IT."

3. ANTI-UNITED NATIONS AND PRO-ISOLATION:

The April, 1953 issue of "THE POLITICAL REPORTER" which is designated as Volume 2, No. 8, contains on the first page the following:

" 'Our old Flag isn't A UN RAG!'
'Up with the AMERICAN FLAG!
Down with the UN rag!' "

Page 23 of this issue of the publication contains an editorial of three paragraphs and the following from paragraph 1 indicates the tenor thereof:

"To many confuse the term 'UNAMERICANISM' with Communism only. A very bad mistake. While Communism is UNAMERICAN, there are other UnAmerican groups as well. The One Worlders, are just as subversive as the Communist. While the One World outfit does not stand for a bloody revolution like the Communist, they would do away with our Constitution so as to give foreign elements control over our America. And perhaps, if necessary, the One Worlders would use foreign forces to bring us to our knees if we, the Patriotic, failed to hand over our God-given rights. The Atlantic Unionist are as guilty as the Communist in their desire to destroy our America. They too, perhaps would gladly welcome foreign help in destroying our Constitution and give to outsiders control over our America. And we must add to these Communist, One Worlders, Atlantic Unionist, The Zionist, the Anti-Defamation League, the Society for the Advancement of the Colored People, all of them in one way or another, trying to stir up discontent, hate, and contempt for Patriotic Americans. Discontent, hate, and contempt that breeds revolution, and destruction of any nation."

The May, 1953 issue of "THE POLITICAL REPORTER" contains an editorial on page 22 by PYLE entitled, "Summing It Up", which contains the following in paragraph 4:

ME # 100-3214

"OUR EISENHOWER IS ALSO AGAINST THE BRICKER AMENDMENT TO THE CONSTITUTION. HE WANTS NOTHING THAT WOULD STOP THE JEW-N FROM USING HIS OFFICE TO PROMOTE FOERIGN ENTANGLEMENTS AND PERHAPS MORE UNDECLARED WARS. SOMETHING HE FAILED TO STATE WHEN HE RAN FOR OFFICE. OUR AMERICAN CITIZENS WERE LEAD TO BELIEVE THAT OUR IKE WAS FOR AMERICA FIRST. BEING FOR THE JEW-N IS NOT AMERICA FIRST, NOR IS FIGHTING THE BRICKER AMANDMENT OR THE MCCARRAN WALTER ACT."

Page 2 of the August, 1953 issue of "THE POLITICAL REPORTER" contains an editorial entitled, "Leave it To Henry", which reads in part as follows:

"As it was, in our early days, men thought enough of LIBERTY to do more than read about it. They did something and it wasn't 'LEAVE IT TO HENRY'. They put their shoulder to the wheel with the results we have a free form of LIBERTY never known to history. It lasted till F. D. Roosevelt had an idea the people lacked guts to do for themselves.

"With FDR in the White House, the people thought the Gods had handed them something. They did, they handed them a man that managed to kill off personal effort, the desire to think straight, and while doing it, started them on the road to Socialism, and leaving it to him, as the 'BIG HENRY' to do it all. With the results that today the average citizen would rather see the country go to hell, than to take a stand on public affairs.

"That is the reason, our people will not enter a protest against the wrecking of the Bricker Amendment, or demand that the McCarran-Walter Act be left as is, or demand the removal of the United Nations or a stop put to opening the floodgates to foreigners. They are 'LEAVING IT TO HENRY'. And take it from this man, he can never win out unless, 'HENRY' is dunked and TOM, DICK, AND HARRY start doing for themselves."

The February, 1955 issue of "THE POLITICAL REPORTER", Volume 4, No. 5, contains the following on page 1:

"USE CARE IN ASKING YOUR CONGRESSMAN TO VOTE TO THROW THE UNITED NATIONS OUT OF THE UNITED STATES. IT MIGHT REACH ONE OF THE HOUSE UNAMERICAN ACTIVITIES COMMITTEE, THEN PAL, YOU'D BE CLASSSED AS A SUBVERSIVE AND A MAN PLANNING TO OVER*THROW THE GOVERNMENT."

4. IMMIGRATION MATTERS:

The July, 1953 issue of "THE POLITICAL REPORTER", which is identified as Volume 2, No. 11, contains on page 2 an editorial entitled, "America Will Get the Arab Treatment." This editorial concludes with the following three paragraphs:

"To demand that we retain the McCarran-Walter Immigration Act, will keep this army of invasion down to a trickle. It would be far better, if we stopped all immigration to our shores. If our congress permits Eisenhower's plan to admit 240,000 potential invaders and their planned 3,000 Chinese and 3,000 Japs added, we may find ourselves in a position of the Arabs in less than three years.

"Not only must we demand of our Congress a tightening up on all immigration, but to put into our Constitution the Bricker Amendment as well. We must by all means take from all branches of government the right of make treaties, or promises of Armed help, except by the consent of Congress.

"The next sinister instrument of distruction, that is in the hands of the Trotsky-Communist is the Jew-N, better known as the United Nations. This U.N., most be ran out of this country and our America must withdraw from it. In supporting this world plan of government we are support the instrument that will invade our shores with Armed forces."

The November, 1954 issue, Volume 4, No. 2, contains the following on Page 1:

"The Republican party's 3,000,000 unemployed is being added to every day as more displaced, misplaced, and disgraced people arrive on our shores. Has anyone ever thought of closing the gate until our own are employed?"

"While American White children remain in Orphan's homes over here, a lot of empty headed Americans are adopting foreign born children with doubtful blood lines."

5. ANTI-COMMUNIST:

The June, 1953 issue, designated as Volume 2, No. 10, contains an editorial starting on page 2, entitled, "Its Time For Some Sound Thinking", which begins with the following four paragraphs:

"The American public has been conditioned by Press and Pulpit on Race tolerance, brotherly love, hate Communism, and other such sop that they are unable to understand all the motives behind our political problems.

"They have been conditioned to howl against Communism, but as Mr. Monk has asked 'Which Communism?' so the public being conditioned, they howl about 'Russian Communism' yet, the Press and pulpit,

either ignorant, or being paid off, never mention 'Trotsky Communism' which is the same in purpose but not taboo with the Jewish Trotskytes or Trotsky Communist. 'Russian Communism', now controlled by Gentiles is bad, but, 'Tito's Communism, Israil's Communism and England's socialism is Kosher'. Those of us who were here when the Jews controlled Russian Communism, well remember when Russian Communism was Kosher. Now the Trotskytes or Trotsky Communism out, 'Russian Communism' is bad, nasty and should be fought.

"There is no two brands of Communism, no two brands of Socialism, no two brands of Collectivism. There is but one patter and mould. All designed and planned by Marx the Jew. Communism, Socialism and Collectivism are identical in purpose and pattern. Just as Statism, which our American public is having rammed down their throats, is the beginning wedge that leads to Communism and the Communist State. So, being of one piece of cloth, why do we howl 'Russian Communism' and ignore 'Trotskyism' or 'Trotsky Communism'?"

"The answer is simple. It is, who controls the Communist State or rule it. A Gentile ruled Communist State is wrong, a Trotsky-Communist ruled State is Kosher. When you see all this, you can begin to understand why our Press, Pulpit and politicians accept 'Tito's Communism and try to jerk the rug from under the Gentile ruled Russian Communism. Why Russian Communism is bad and Israel's is good, and why Englands Socialism, the same thing, is good. It is just a matter of who has the bull by the tail."

The January, 1954 issue, Volume 3, No. 5, contains the following on page 1:

"With Rape, Murder, Robbery, Kidnapping, Molestation of Children and the Trotsky Communist stirring UP Racial Hate Against the White Race all on the up-swing, what are you doing to Defend your Family, protect your property and Save this Nation from Destruction?"

"While our ASININE Politicians worry over the World's troubles, The so-called Liberals, (fellow travelers) slip Socialistic schemes into legislative hopper that will put American on the skids and hell bound into a Communist State."

"Folks over the U.S.A. literally fell over themselves recently to donate millions to the U. S. Fund. But nary a thin dime to fight our mutual enemy in these United States, Zionist-Communism. Ho, hum!"

ME # 100-3214

Page 2 of this issue under the heading "From the Editor's Desk" contains the following:

"Ye Editor puts in about 14 hours labor per day, 7 days a week, reading editing, making up stencils, mailing, answering mail and also urging those who want to do something to carry on, and from his meager funds pays the losses each month. He does so, for he feels if we can awaken the people to what goes on we perhaps can save our Social Standards and ward off creeping Socialism that leads to Communism. What he needs mostly is a more active readers interest in securing subscriptions, or in trying to get the Political Reporter into the hands of those who are unaware of what goes on. Can we have more help from you?"

The June, 1954 issue of "THE POLITICAL REPORTER" contains an article on Page 16 entitled, "Will the South Accept Communism?" by PYLE, which states in part as follows:

"The great mass of southern worker_ do not want racial mixing, nor do they want 'security from the cradle to the grave' all they want is the right to have their children in all White Schools, and the chance to work and be free of any Fair Employment, with its uncertainty as to holding a job that some negro might want and would get.

"So, the South is safe so far as the majority of White workers are concerned, but unless the high bracketted Whites of the South wake up and begin to take a stand for segregation and the right for freedom to work, we can expect to see their ranks broken and them turning to Trotskyites in the hope of getting some promise of racial rights. And don't let us think such cannot happen, for its only human for us to turn to others when our leaders fail us."

The November, 1954 issue, Articles Volume 4, No. 2, on page 22 contains the following, entitled, "What United States Senate Honor?":

"We hear much about HONOR of the Senate since that body has taken upon itself the duty of investigation McCarthy. As we look at it Senator McCarthy was well within his rights to fight back, and in doing so, calling the cards as he saw them. It was not his fault if Senator Watkins wanted to help the Communist by trying to discredit McCarthy so his usefulness in the fight to rid our government of a large list of Communist would fall upon deaf ears.

"As for Honor in the Senate, we are sure that none has been besmerched, for have we not had a Senate that sold us down the river and into the United Nations? Have they not stood idle while the Supreme Court assumed the power of making laws on non-segregation?"

ME # 100-3214

In fact, since the New Deal first went into power, has the Seante in anyway shown much patriotism or loyalty to our States, or the Union? In fact are they not the tool of the Trotskyies and One Worliders and other Pink Tinged underground movement? In fact isn't Senators McCarthy, Jenner, Welkin about all we do have that seem to bring Honor to that body?"

The February, 1955 issue of "THE POLITICAL REPORTER", Volume 4, No. 5, on page 20 contains an article entitled, "Lets Tell The Truth For A While", which begins and ends with the following two paragraphs:

"Most everybody is against Communism in America. That Communism, That Russian Communism. That Jew-Russian-Communism. That Zionist-Jew-Russian-Communism, That One-World Russian Communism. Just put anything with Jew and tag Russia onto it, and communism as an after thought, and your in tune with the PEDDLERs OF HATE RUSSIA. The tacking of Jew, is a must, just so long as you don't Say, Jew-Trotsky-Communism. That is verboten, ixnay, no good, bad taste, Anti-Semitic, and you name the rest.

"WHILE WE REFUSE TO ACCEPT ANY COMMUNISM, INCLUDING THE DEMOCRATS OR REPUBLICANS MARXIAN TROTSKYISM, I DO THINK WE SHOULD RECOGNIZE FACTS AND TELL THE TRUTH SO THAT AN UN-NECESSARY WAR WITH RUSSIA, AS PLANNED BY THESE TROTSKYITES, WONT RUIN US."

6. FISCAL MATTERS--INTEREST FREE MONEY AND INCOME TAX:

The November, 1954 issue, Volume 4, No. 2, contains the following on page 1:

"The Income tax is oneform of of taking a man's money without using a piece of gas pipe. Or should we say 'taking up charity dollars to feed the lazy all over the world while the people at home go without work and starve?"

"In ye old days a man earned enough to keep his wife and take care of his family. Now he has to send his wife out to work to earn enough to pay Income Tax."

The January, 1955 issue, Volume 4, No. 4, contains the following on page 1:

"DOES THE PRINTING OF THESE 13 ORIGINAL STARS SO AS TO FORM THE STAR OF DAVID UPON OUR DOLLAR BILLS PROVE THAT MR. H. L. BIRUM'S STATEMENT THAT OUR PRINTING PRESS MONEY IS CONTROLLED BY THE ZIONIST?"

ME # 100-3214

The February, 1955 issue of "THE POLITICAL REPORTER", Column 4, No. 5, contains the following on page 1:

"THE CITIZENS SHOULD INVESTIGATE INTEREST FREE MONEY. IF CONGRESS WAS TO ISSUE MONEY AS PROVIDED IN THE CONSTITUTION THE CITIZENS COULD GET ALL THEY EARN AND SAVE IT FOR A RAINY DAY, NOT USE IT TO PAY INCOME TAX."

7. GOVERNMENTAL MATTERS GENERALLY

The January, 1955 issue of "THE POLITICAL REPORTER", Volume 4, No. 4, contains the following on page 2 under the heading "From the Editor" relative to the "House Committee on Un-American Activities":

"Regardless of the House UnAmerican Committee's desire to tell us Americans what 'Politian Approved' Patriotic societies or organization we can belong to, we still think, that this is America, and it STILL belongs to the American people, and not to the POLITICIANS and their PET MINORITIES. We also believe, contrary to this Committee's thinking, that we have a right to EXPRESS our views and state just what we think is the proper course to follow to keep our nation safe and out of the hands of Communists. NO BODY can tell us that just because a man is elected to CONGRESS that the GOOD LORD took TIME OUT TO INSTALL A SET OF SUPER BRAINS in those we elect, so let us state right here, until these men who belong to this COMMITTEE can show us they have SUPER MINDS, let us ask them to HUE TO THE OLD AMERICAN CUSTOM of leaving the PEOPLE to think, act and do for themselves.

"As the Editor of the POLITICAL REPORTER we did not get the approval of the House UnAmerican Activitives COMMITTEE, nor the ADL or the NACCP, for what appears in this issue or any of our issues. We feel that if the House Committee wants to class us, and our readers as NEO-FASCIST, HATE MONGERS and people who would over-throw our Government, they are liars and are doing just what Russia is doing, policing the people and stopping them from thinking, so as to hold a DICTATOR'S whip hand over them. WE'LL not be a PARTY TO ANY PLAN TO KILL OFF LIBERTY IN OUR AMERICA, NOR WILL WE TAKE PART IN ANY OF BRAINWASHING. SMEARING HATE WORDS COINED BY THIS COMMITTEE SHOWS WHERE THE COMMITTEE STANDS."

II. CONTRIBUTORS TO AND INDIVIDUALS ENDORSED
BY THE POLITICAL REPORTER

There will be set out hereinafter all individuals who have been referred to or who appeared to have some connection with "THE POLITICAL REPORTER." These individuals will be listed alphabetically except for the Editor and Publisher, HARRY WILLIAM PYLE.

HARRY WILLIAM PYLE
Editor and Publisher

Memphis Confidential Informant T-3, supra, advised that he has known PYLE for [redacted] having met PYLE shortly after [redacted]. He noted that PYLE has never to his knowledge been in the Armed Forces and claims to have been too young to serve in World War I and too old to serve in World War II. He states that PYLE is approximately 62 years old. This source noted that he and PYLE were [redacted]. [redacted] He stated that during the years he has known PYLE that the latter has been employed until recently as a house painter and apparently gave up this employment about five years ago and has since that time been occupied solely with the publication of "THE POLITICAL REPORTER."

b7D

Informant stated that in his opinion, PYLE is completely loyal to the Government but is "radical" on some subjects. He noted that PYLE is strongly opposed to the Negroes, Jews, and Catholics and does not believe "they have the right to exist." He noted that PYLE bases his objections to these individuals on the basis that they have either some foreign alliance or some characteristic trait which sets them apart from the mass of the American people.

An examination of the Memphis City Directories reflects that HARRY W. PYLE has been listed therein since 1922. The City Directory for that year reflects PYLE, a painter, resided at 491 Beale, Memphis, Tennessee. PYLE continued to reside at this address until the 1925 City Directory when he is listed as residing at 449 Beale for that year and the subsequent year. PYLE is not listed in the 1927 City Directory. From 1928 through 1933, PYLE, wife FREDA, is listed as residing at 604 Alabama. From 1934 through 1936, according to this source, resided at 1176 Coppock. From 1937 through 1939, PYLE resided at 870 Ayers. In 1940, PYLE resided at 891 Decatur Street, Memphis, and from 1941-1946 at 763 Decatur Street. In 1948,

ME # 100-3214

PYLE resided at 1081 Lane Avenue. There was no City Directory published in 1949, but in 1950 and 1951, PYLE resided at 22 Angelus Street in Memphis. From 1953 through the current 1954 City Directory, PYLE has resided at 3601 South Lloyd Circle.

Memphis Confidential Informant T-1, supra, advised on March 31, 1955 that PYLE moved to 3601 South Lloyd Circle in September, 1952, and has resided there since that date. He stated that PYLE has been active in publishing what he described as a "white supremacist paper" called "THE POLITICAL REPORTER" and is also active in publishing other pamphlets and handbills of a similar nature. He stated PYLE has advised him that he gets much of his material for his paper and pamphlets from a friend of his in New York, although PYLE did not identify this friend.

Informant noted that all the material which he has seen in the possession of PYLE has been very anti-Semitic and anti-Negro while at the same time being vigorously anti-Communist. He pointed out that PYLE claims to mail his publication to individuals throughout the United States and that apparently PYLE sends out a great number of them by Railway Express. Informant noted that PYLE was very secretive in his actions and although he received a considerable amount of mail, he always appeared to be careful to burn it in his back yard.

Informant gave the following description of PYLE:

Name	<i>Mr</i> HARRY WILLIAM PYLE	<i>Donna</i>
Sex	Male	
Race	White	
Age	55 yrs.	
Height	5' 7"	
Weight	170 - 175 lbs.	
Hair	Gray, balding	<i>Donna</i>
Eyes	Color unknown	
Marital status	Married, wife FRIEDMAN <i>NE 11/15</i>

Donna On July 25, 1952, Memphis Confidential Informant T-6, who has furnished reliable information in the past, advised that a ~~Mrs. DONNA COOPER~~ of Memphis, whose son was killed while in the U. S. Army in Korea, had arranged for ~~MILDRED MCGURTY~~, who admitted to Informant that she was a member of the Communist Party, to see PYLE. According to Informant, COOPER was a protege of PYLE and *Donna*

ME # 100-3214

wanted MILDRED McGURTY to meet PYLE. Informant stated that according to MILDRED McGURTY, PYLE had supported DONNA COOPER in her refusal to accept a posthumous award from President TRUMAN for her son who had been killed in Korea. Informant stated that MILDRED McGURTY and her husband, L. E. ~~McGURTY~~, who was at the time a leader of the Communist Party in Memphis, were trying to exploit DONNA COOPER's feelings about her son and about her desire for peace and thereby interest her in the Progressive Party. Informant noted that the Progressive Party in Memphis was controlled by the Communist Party.

Informant subsequently advised that MILDRED and L. E. McGURTY had contacted HARRY WILLIAM PYLE and found that PYLE published a mimeographed paper which the McGURTYS described as "Fascistic" and critical of the TRUMAN Administration. The McGURTYS also described this paper as being Anti-Negro and Pro-Aryan. According to Informant, the McGURTYS tried to interest PYLE and DONNA COOPER in the Progressive Party and its program but they took direct issue with the McGURTYS and later MILDRED McGURTY stated that PYLE was poisoning DONNA COOPER's mind against the Progressive Party.

PYLE's Connection With The American Majority's Protective League

By letter of June 12, 1951, ALICE B. ~~BAXTER~~, Box 625, Southern Pines, North Carolina, made available mimeographed material bearing the name of the American Majority's Protective League which reflects that the Manager thereof was HARRY WILLIAM PYLE, 22 North Angelus Street, Memphis 4, Tennessee. This material is quoted hereinafter:

"Dear Fellow Citizen:

"I'm up a stump. A lot of my friends got tired of griping about the political situation and decided to do something about it. That's where they put me up on the stump. The left it to me to act as the mouth piece and do the work. Nice going for them. All I got to do is find kinder souls and line them up into a league. A simple job if I were a New Deal politician and could get R.F.C. money to pay for labor and get for free, postage. Maybe I could get me a mink coat for the wife, free, to repay her for the loss of a husband's time. Not a New Dealer or a Trumanite, I gotta pay the bills and hope to organize enough members to get my shrinking bank roll back. It looks to me, from the howling I hear, I should find plenty of helpers who would be glad to join in and make us a

ME # 100-3214

new United States or rather one like Pa left us kids. I had a heritage in these United States and hope to get it back with your help and some more like us. We all lost our heritge when we gotta shootin' dice with the New Deal's loaded cubes.

"There is plenty of howling but no concerted cation. One has gotta have help to lick them Racial Minorities who vote for the fellow that'll give em the most. With Racial Minorities, New Dealers with a yen to grt into the other feller's pockets, you can't howl, you gotta vote and vote with a single purpose.

"We're faced with more income tax take, a lot of local sales taxes and Congress eyeing us weak and weary citizens hoping to take a dig at the sales tax for the boys up in Washington. Don't look good and to stop some of this tax tinkering it'll take us White Majority Citizen_voting as a unit to offset the the smart boys who think we are a bunch of half wits and don't know what its all about.

"From my point of view as an American White Citizen us folks are about to lose our pants in the political game. The Trumanites have enflated our dollar, stuck us with feeding the whole world and soaking us with enough income tax to keep up from feeding our own kids. The done took our State's Rights away and are jaming social equality down our throats. Wont be long till you can't take a swim in your own bath tub unless you got a black companion in with you. A heck of a way for us free born American's to live. The done got my son and maybe yours in the draft. He may have had a white complex but, its a chinch they are blacking him out on both sides. My Pa never left any such heritage to me and I know your's didn't either. I ain't giving my son a break and no doubt you ain't either. If we don't wake up we are gone goslins and we might as well hand in our pants and skip to the tall timber for whats the use of working for free. Take it from me it'll be for free if the boys up in Washington slap us with a slaes tax.

"As it stands today only about 24 per cent of us citizens vote, but when it comes to Racial Gropes, gangsters, political do-gooders and their socialistic friends you can depend upon them turning out and voting regular and leaving us who were to busy to vote with a pain in the neck. We gotta stop that.

"(Try turning over the page, I'm still raving.)

ME # 100-3214

"My friends handed me a problem, but, as I look at it, if the rest of the White Americans are as disgusted as I am with the whole political set-up, the income tax, the sales tax, and the whole hog-tax, we won't have no job at all. It'll be like taking candy from a baby. If everybody is as disgusted with the racial switching that has been jambed down our gullets by the New Dealers, Ray Dealers, and Trumanites, we are going to slide right up to the polls on election day and vote, not for party, but, for the man who will stand for a White race's right to remain white. We will also vote to save a bit of our earnings from labor so the wife and kids can have something to live on.

"What this country needs, and, I hope we can organize enough to get it, is, less two-bit politicians and more real statesmen in Washington. I know we can make a go of it Citizen, if you'll stop yowling and get busy and help us do some ground work now. Well organized, we can talk turkey to both political parties and get some place, just like the Racial gropes, Big Business, gangsters, leaners, and the United Brotherhood of Crap Shooters.

"As for the writer of this, I've tinkered around with politics, but, wouldn't hold a public office for love or an inflated dollar. I ain't afraid of no one big or small and can stand up for our rightn without getting trimmed of my shirt. I'm honest, my Pa saw to that when he took me to the woodshed in early life and convinced me with a stick of stove wood that honesty is the best policy. I still retain a vivid picture of the closed meetings. I'm not bashful and will be found right out front plugging for this thing to the limit, and while doing so, working at the job that all of us need done. I ain't as dumb as this letter sounds, its just that I want to keep my sanity in this cockeyed game of politics and a muddled mix-up that is bound to bring ruin to us if we don't keep our heads and do sompin about hit.

"Now, read over the enclosed, give it a fair deal and if you agree with us folks, join in and let us save our Heritage in these United States and not let our country go to Racial gropes, bums and foreign politicians.

"Yours for freedom,

"(The following was adopted along with the rules and
(regulations to govern the AMERICAN MAJORITY'S
(PROTECTIVE LEAGUE, at a meeting of White American
(born Citizens.

"Whereas; the political situation im the United States has
became deplorable. Minority gropes, Racial minorities, gangsters,
gamblers and organized big business have the ear of our elected
officials and the common citizen's interest is ignored. Waste in
every branch of government is the rule, both in National government
as well as local governments. Racial minorities with the help of
political to-timers have taken over our States Right's and making a
change in our social standards without the consent of the white
citizens. Wild socialistic schemes are being used as sop to keep
the politicians in power at the expence of the common citizens who
struggle to live. Inflation has reduced the living standards of
many who had saved for their old age, and our political set-up
does nothing but fiddle and faddle. Un-declared wars has increased
our living costs and added more burdens upon the shoulders of those
who can least afford it. Wars, inflation and, high taxes are bound
to breed radicalism.

"Therefore, be it resolved, that we organize and go on record as,

"Opposed to Congress or the Supreme Court interfering
in our State Right's or interfering in Racial conditions of any State.

"Opposed to non-segregation in any branch of our Armed
Forces.

"Opposed to padded employment rolls by our National,
State or Local Governments.

"Opposed to wasting tax money upon socialistic schemes
of any type.

"Opposed to wasting tax money upon buying friendship
of foreign countries or their political followers..

"Opposed to any brand of Presidential laws or undeclared
wars by Presidential proclamation.

"Opposed to minority gropes, racial gropes, business or
grafting gropes having special consideration over that of the
majority of citizens.

"Opposed to an income tax upon earning that are less
than the cost of living.

"Opposed to any sales tax upon food, clothing, shoes, medicine, fuel, rents, utilities, school supplies, or, the necessities of life.

"Opposed to any tax free hand out to any official, appointed or elected in to any branch of our governments, local, State or National,

"For the information of those who join we wish to give here an out_line of the League's make up.

"First. It was understood that Mr. H.W. Pyle was to chose the first officerxto make sure no political muddling would take place. Such officers were to serve for two years or longer if vote_ back into office by the membership.

"Second, the rules gives the membership full control of the organization, for, no changes in policy can be made except by a majority vote of the membership. Its officers and trustees to be noninated and elected by a referendum vote.

"Third the officers are, a Manager. (Pyle.) who has charge of all business dealings of the league. A secretary who keeps all records, both of membership and board meetings, a treasurer who handles all funds. Tow other members who are board members only. There are to be Seven trustees, one from each state who shall audit all books of the league and who shall check on all affairs of the league in the interest of the membership. The trustees shall make a yearly report to the members.

"Fourth, A member is one who donates a dollar or more, per year or who has donated for the year in which an election for officers are held.

"Fifth, A copy of the rules and regulations and a membership card is to be issued to each one joining so a member will have an understanding of his rights and know just what the league is doing. (Unable to secure enough funds at this time, except from those who have an ax to grind, the rules and regulations are not printed and will be mailed to each member when and as soon as ready.)

"Sixth, Elections of officers are to be held in July in the uneven years. The first election to fill the offices now held byb those appointed by Mr. Pyle shall be held in July 1953.

"As this League was formed for the purposes outlined in the enclosed and was organized for the sole purpose of giving the average

common American citizen a chance to protect his citizenship from encroachment of minorities of all shades and brands as well as politicians, grafters and self-seeking officeholders. grafters and racketters. the rules and regulations provide a safe guard so they can not gain control of the league and ruin the membership rights.

"You can rest assured that those now picked by Mr. Pyle as board members and those to be picked as well as the trustees he will appoint shall be free of political entanglements and will be wholeheartedly in favor of the purposes of this league and its welfare.

"Can you ask for more?

"Dear Fellow Citizen:

"Are you aware of the fact that your heritage in these United States is in jeopardy? Do you realize that while you are a white American and in the majority, racial minorities have the ear of our politicians and their demands heeded and you and your national welfare are ignored?

"Do you realize that foreign born or foreign thinking minorities as well as other racial groups are tearing down our constitutional State's Rights? Do you realize that these foreign minded minorities are working for social change, state Socialism and, European ways of life?

"Do you realize that this Country of ours is being driven into foreign wars without the consent of our Congress or our lawfully elected officials? Do you realize that when the United Nations declared War upon Korea they took away the right of Congress to declare war? Do you realize that the slaughter of our American Youth in Korea is taking place at the orders of Foreign politicians and not with the consent of our elected Congress?

"Do you realize that wars use up our raw materials and within a few short years we will have to depend upon foreign countries for our raw materials. Our Oil. Iron. Timber and minerals are not un-limited and once wasted we will be at the mercy of our enemies?

"Do you realize that this United States can not support the waste that the new Deal has placed upon us? Do you realize that we are supporting foreign politicians so long as they play along our line or as long as the new Delaers think they are? Do you realize we are building rods, deeding Millions in the attempt to educate

ME # 100-3214

them to our way of thinking and, while do__ so, our skid rows in this country continue to grow? Do you realize the load and the drain upon your income such wild ideas have produced?

"Do you realize that your income tax are being used to sell you upon cockeyed foreign plans and wars that will only bring destruction upon this Nation? Do you realize that if we continue to increase the income tax take and add more sales taxs to our burden we will be helping radicals in this country?

"Do you realize that with taxes going beyond reason and waste in all branches of government we must put a stop to the loading down of the padded pay rolls and hangers on? Our National Welfare demands that all loyal citizens must take a hand in political acts to defend our Country. Political gangsters live and wax fat while the common citizen skimps and fights to make ends meet.

- - - - -

"Dear Fellow Citizen:

"You have read the outline of our League, a statement of its purpose and I hope a full view of the American situation, so far as it interests us the common citizens. Now that done, do you wish to join in with us and try and help our American way way of life.

"We here in these United States have a little to fear from the handfull of out and out communist. It is those that tag along that we must help and keep clear of radicalism. Communism thrives upon the under-privileged, Tax burdens, useless wars, graft in politics, enfation all cause a drop in the common citizens standard of living. As the common man drifts downward he is bound to become dis-satisfied and in time he becomes a radical. Oury duty as citizens, and I'm sure our League working for the common citizens, can break up the horrible, rotten, conditions we are in today polittically, and save the common man from the hatred he'll hold for his country and his drifting into communism or its pink brother, State Socialism or Statism as the newspapers call it. It is useless to combat Communism in Europe while we cultivate the ground and plant the seed of dis-content at home.

"Racial discord is rearing its ugly head. It is fed by the hand of New Dealism. Not only the South is feeling the impact, but the North is beginning to feel unsafe. This along should make us wake up and make sure that our political office holders stay away from currying to minorities. We must wake up to this situation for unless our way of life is left along, we the White race shall be faced with bloody and un-controlled radicals.

ME # 100-3214

"If we, the White majority will organize and vote and work for a continued free enterprise way of life and our social standards are left alone or handled by those who are most interested we can see our United States in a safe and sane condition again.

"The issue is up to you. We're looking for the common folks who have a heritage in these United States and want to preserve that heritage. If your one of us who hopes to live and enjoy life without dictatorship, New Dealism and all of the cockeyed schemes of State Socialism or Statism, just line up with us. A typed application blank is attached and its up to you if its signed and your name enrolled with us.

"If you have any question, fire them in, but, PLEASE SEND A SELF ADDRESSED AND STAMPED ENVELOPE FOR AN ANSWER. WE HAVE NO FUNDS TO TAKE CARE OF ANYTHING BUT ORGANIZING WORK AT THIS TIME. If you know of others who might join, send in their names, or, send for a few of these letters and mail them out yourself.

"We're waiting for your reaction.

"Yours,
Harry W. Pyle

PYLE's Connection With the National Citizens
Protective Association

The "White Sentinel", a publication of the National Citizens Protective Association, St. Louis, Missouri, in the January, 1953 issue contained an article entitled, "Welcome to our Fellow Patriotic Journalist", which stated that the "White Sentinel" takes pride in bringing to its readers four other publications which are doing a great service in arousing America to the Negro menace." It welcomed these publications, one of which was "THE POLITICAL REPORTER", and contained indications that this publication deals strongly with the race question, the United Nations, the protection of America and upholding her sovereignty.

In the March, 1953 issue of the "White Sentinel", there is an article stating that the first meeting of the National Board of the National Citizens Protective Association was held on February 28 and March 1, 1953 at the home of HARRY WILLIAM PYLE, 3601 South Lloyd Circle, Memphis, Tennessee. The article states that at the conclusion of this meeting, PYLE was assigned to organize chapters of the NCPA in Mississippi, Texas, Arkansas, and Indiana.

Memphis Confidential Informant T-7, who has furnished reliable information in the past, advised that a letter to members and friends of the NCPA dated January 12, 1953, as well as the March and April, 1953 issues of the "White Sentinel" reflect that HARRY WILLIAM PYLE, Memphis, Tennessee, was a member of the National Executive Board of the NCPA.

The December, 1952 issue of the "White Sentinel" reflects that PYLE was also the Chairman of the Memphis, Tennessee Chapter of the NCPA.

Mem. base *MD* *yes*
Memphis Confidential Informant T-7, supra, advised that FOREST W. WOLF, JOHN W. HAMILTON, and other officers of the NCPA made a trip to Memphis, Tennessee in March, 1953 where they met for the first time with HARRY WILLIAM PYLE. This meeting with PYLE had resulted from correspondence between PYLE and HAMILTON in which PYLE had indicated a great interest in the Negro problem and had further shown interest in the work being done by the NCPA to combat this problem. During the March meeting, PYLE had promised to organize chapters of the NCPA in Memphis and in surrounding states. According to Informant, both WOLF and HAMILTON were impressed with PYLE and as a result had appointed him to membership on the National Board of the NCPA and designated PYLE as chairman of a skeleton chapter organized

ME # 100-3214

Profile - Pyle
at Memphis. According to this source, both WOLF and HAMILTON believed that HARRY PYLE would be a great organizer for the NCPA.

Informant learned in June, 1953 from WOLF and HAMILTON that since the above meeting, PYLE had made many suggestions which were not acceptable to the leaders of the NCPA. Informant stated that WOLF and HAMILTON considered PYLE as being very domineering and claimed that he was trying to tell them how to run the NCPA. Informant noted that according to WOLF, PYLE had become angry because some of his suggestions were not accepted and had begun writing letters to various individuals throughout the United States criticizing WOLF and HAMILTON and urging that these individuals have nothing to do with them or the NCPA. This, according to WOLF, was an attempt on the part of PYLE to undermine the work being done by himself and HAMILTON and to cause disunity within the NCPA. Informant pointed out that according to WOLF, the latter had learned that PYLE was attempting to arrange things so that he could take over the leadership of the NCPA as well as that of several other organizations. According to WOLF, PYLE intended to unite these into one organization which could then be used for PYLE's own personal monetary gain.

Informant pointed out that WOLF stated that a meeting of various organizations was to be held in Columbus, Georgia on June 20, 1953 and that the leaders of the NCPA were not invited to attend this meeting. Notwithstanding this, they were going to the meeting in order to put an end to the aspirations of PYLE and place him in a position where he would not be able to take over the NCPA or any other organization.

Informant noted that the meeting was held in Columbus, Georgia on June 20, 1953 and was opened by Mrs. JESSIE JENKINS. Mrs. JENKINS made the opening talk at the conference in which she urged that all those present become affiliated with an organization headed by her known as the National Patrick Henry Organization. After her opening remarks, Mrs. JENKINS turned the meeting over to PYLE who called on BILL HENDRIX of Tallahassee, Florida for his observations. It is noted that HENDRIX was connected with the Southern Knights of the Ku Klux Klan. HENDRIX discussed the need for unity among the various organizations interested in fighting the Negroes and Jewish people.

Don't say
Subsequently, during the meeting FOREST WOLF, who was infuriated with developments therein, referred to PYLE as "this copperhead". WOLF accused PYLE of sending letters all over the United States in which he had made untrue remarks concerning the NCPA and its officers. At this point, BILL HENDRIX stated that HARRY PYLE should be relieved of the chairmanship of the meeting in order to settle the feud between him and WOLF.

FRANCIS McHAIL was made temporary chairman and called on JOHN W. HAMILTON of the NCPA. HAMILTON denounced PYLE and stated that it was PYLE's idea to attempt to take over the organization with the thought in mind that he would make money in operating it. He stated that PYLE had attempted to rewrite the by-laws of the NCPA and that the by-laws, written by PYLE did not reflect the aims of the NCPA but instead referred to the personal accomplishments of PYLE and of a newspaper printed by him called "THE POLITICAL REPORTER."

After the foregoing meeting was recessed, the representatives of the NCPA delegation met with all those in attendance at the conference except HARRY PYLE and Mrs. JESSIE JENKINS. At this meeting, JOHN W. HAMILTON discussed what had been accomplished by the NCPA, denounced PYLE, and called him a "snake in the grass." WOLF discussed further some of the many things that had been done by PYLE after his affiliation with the NCPA which indicated to him that PYLE could not be trusted and that he was attempting to use the NCPA and other anti-Negro organizations for his own personal gain. Following this, there was a general discussion concerning PYLE in which it was evident that all of those in the room had sided against PYLE.

PETER XAVIER of Dayton, Ohio, who had previously been accused by WOLF of being a personal friend of PYLE, stated that this was the first time he had met PYLE and for some reason did not trust PYLE.

At 8:00 p.m. the delegates, except PYLE resumed the conference and PYLE sent word that he was sick and would not be present. Mrs. JENKINS pointed out that in view of the charges which had been brought against PYLE that she was not able to go through the agenda, which included a discussion of the NATO organization and Universal Military Training. HAMILTON stated that they were interested only in the Negro problem and that his only reason for coming to the conference was to put PYLE in his place.

Informant advised that subsequently BILL HENDRIX advised JOHN W. HAMILTON that he had prepared a press release concerning the meeting. A copy of the June 21, 1953 issue of the "Sunday Ledger-Inquirer" published at Columbus, Georgia contained a news article on the front page entitled, "Klan Organizes New Group Here". This article stated that a United KKK with representatives reportedly from several sections of the United States, had been quietly organizing in Columbus, Georgia. It stated that the announcement was made by BILL HENDRIX, former Grand Dragon of the Florida Klan.

PYLE's Connection With the White Circle
League of America

Relative to the White Circle League of America, it will be noted that JOSEPH BEAUHARNIAS, the head and founder thereof, was

ME # 100-3214

found guilty of circulating literature tending to defame a race in a Chicago Municipal Court in Chicago in 1950. The State Charter of the White Circle League of America was revoked on June 27, 1950 on grounds that literature of the League was "highly inflammatory and would cause conflict among the races." BEAUHARNIAS' conviction in a Chicago Municipal Court in 1950 was upheld by the Illinois Supreme Court on January 18, 1951. The case was subsequently taken to the U. S. Supreme Court and this court upheld the lower court on April 28, 1952.

On May 5, 1954, Memphis Confidential Informant T-8, an individual who has furnished reliable information in the past, advised that M. B. SHERRILL, Fort Pierce, Florida, who was spearheading the drive to establish chapters of instant organization throughout Florida and the Southern states, stated that "THE POLITICAL REPORTER" was the official publication adopted by the White Circle League of America.

Memphis Confidential Informant T-9, an individual who has furnished reliable information in the past, advised that M. B. SHERRILL, Post Office Box 1071, Fort Pierce, Florida, received mail from HARRY WILLIAM PYLE and "THE POLITICAL REPORTER" on February 28, March 2, 7, 10, 15, 16, and 22, 1954.

Memphis Confidential Informant T-8, supra, advised that the application for membership in the White Circle League reflected that the Southern States and Florida Headquarters for the White Circle League were in care of M. B. SHERRILL, Post Office Box 1071, Fort Pierce, Florida.

PYLE's Connection With the Pro-Southerners

Memphis Confidential Informant T-10, who has furnished reliable information in the past, advised on May 17, 1954 that the above M. B. SHERRILL was no longer distributing literature issued by the White Circle League of America as he was unable to get along with the national organization of the White Circle League and was at that time trying to establish an organization in the South under the name of the Pro-Southerners.

T-10 continued that he gained from conversation with SHERRILL that the co-partner of SHERRILL in the Pro-Southerners was HARRY WILLIAM PYLE of Memphis. He also noted that PYLE was in close contact with WILLIAM J. GRIFFIN of Tampa, Florida who organized the Association of Florida Klans during the summer of 1952.

On June 22, 1954, Memphis Confidential Informant T-10 advised that PYLE had stated that the Patrick Henry Organization had issued a charter to SHERRILL and the Pro-Southerners. PYLE explained that the Patrick Henry Organization had no printed charter or

ME # 100-3214

charter forms so a special typed copy was made up and sent by Mrs. JESSIE JENKINS, secretary of the organization, and by him, PYLE, as acting president. PYLE stated to informant that he, as vice president, had been acting as president and would continue to do so until the July 10 conference of the Patrick Henry Organization when officers would be elected. Informant continued that PYLE stated that this charter which was issued to SHERILL and the Pro-Southerners gave him full authority to act as a special unit of the Patrick Henry Organization and that it covers the entire nation as his to organize under the name of Pro-Southerners. PYLE stated this was done by the Patrick Henry Organization as that organization had the highest respect for SHERILL and his ability to organize and above all, his loyalty and willingness to cooperate with real patriots. PYLE further assured informant that SHERILL and those who join in with the Patrick Henrys would get the closest cooperation from all of the officers.

On June 18, 1954, Memphis Confidential Informant further advised that from the literature that he had received from SHERILL and some person connected with him, it was clear to him that the aims and objectives of the Pro-Southerners were similar to those advocated by the ~~KKK~~ and were extremely anti-Negro, anti-Jew, and advocated full States Rights without Federal intervention.

On June 21, 1954, Memphis Confidential Informant T-11, an individual who has furnished reliable information in the past, made available a letterhead of the Pro-Southerners that listed HARRY WILLIAM PYLE as Chairman of the Supervisory Board.

On May 17, 1954, Memphis Confidential Informant T-10, supra, advised that he had learned from SHERILL that the membership fee in the Pro-Southerners would be \$2 per year plus \$2 a year for a subscription to "THE POLITICAL REPORTER", the latter publication having been adopted by SHERILL as the official publication of the Pro-Southerners.

Connection of PYLE With the Knights
Of The Kuklos Klan

On November 18, 1954, Memphis Confidential Informant T-12, an individual who has furnished reliable information in the past, made available a letter dated October 22, 1954 from HARRY WILLIAM PYLE, Memphis, Tennessee, to Mr. PAT MURPHY, 6140 Prospect, Dallas, Texas. Informant advised that this letter had apparently been written to MURPHY by PYLE after MURPHY had answered an ad which had been placed in the "Fort Worth Star Telegram" on Sunday, June 27, 1954, which read as follows:

"White people of America, if you believe in and want to keep white supremacy, segregation, and our American way of life, write Pro-Southerners, Post Office Box 1071, Fort Pierce, Florida."

This letter stated that "Brother" ~~HORACE MILLER~~ of Waco, Texas had sent MURPHY's letter of the 19th to PYLE with the request that PYLE supply the information requested by MURPHY. The letter further stated that he hoped that the information furnished encouraged MURPHY to get into the mood to join and help "us save this nation from the Negroes, Zionists, and Communists." The entire letter was devoted to explanations to MURPHY, giving details relating to the Knights of the Kuklos Klan which it distinguished as a separate organization from the Knights of the Ku Klux Klan of Atlanta, Georgia. The letter stated that the Knights of the Kuklos Klan was from the original Nathan Bedford Forrest Klan, and that its plans, purposes, and initiations were based on what took place before 1867 and during the Reconstruction Period. The letter stated that "We do not accept Catholics, not because of religious beliefs, but because 'our' initiation work cannot be accepted by their Church." It further stated that "we do not and will not fight white Catholics."

The letter explained that anyone over eighteen years of age was eligible for membership but that they preferred that the ones between eighteen and twenty be "above average in their thinking." The letter stated that a person would have to take an oath to uphold the United States, its flag, and to protect the white or Aryan womanhood and children, also uphold white supremacy and to work to retain segregation in force, not just in the schools but in all public and social gatherings. The letter stated that the obligations also called for an oath that the applicant will fight against Communism and the many Red fronts.

The letter stated that the Grand Dragon or His Exalted Cyclops will not order a member to go and beat up some female or male who has "been caught in the wrong bed." It further stated that no member would be ordered to do any illegal act but rather that the leader might ask a member to help the law enforcement officers to keep order and peace in the community. It also pointed out that the member might be requested to help to get Klansmen into public office or to help get those who stood for Americanism into office.

The above letter was on the letterhead of the Pro-Southerners which identified PYLE, the signer of the letter, as the Board Chairman of the Supervisory Board of the Pro-Southerners.

Relative to the Knights of the Kuklos Klan, it will be noted that Memphis Confidential Informant T-3, supra, stated on

The April, 1953 issue of "THE POLITICAL REPORTER" on page 2 contained the following: "MARILYN ALLEN's book, Alien Minorities and Mongrealization, should be in every White Gentile American's hands. It sells for \$3, and worth many times that. Now to help our readers get this book, cloth bound, we make this offer. Send us 6 yearly subscriptions, at \$2 each and the book is yours free. Or, if you send us 14 sample subs, at a dollar each, we will send you this wonderful book. It will come to you postpaid."

The April, 1953 issue of "THE POLITICAL REPORTER" on page 21 contained one paragraph entitled, "A Bit From Marilyn Allen" which is as follows:

"This one thing, failure to put American First in the hearts of her countrymen--has wrought her temporary downfall.. It is in the headlines every day. America is failing herself, her Devinely-inspired Founders, and the world, because her own people do not love her enough. Her leaders have failed her in that they also have not loved America with all their hearts and souls. If we who are free American do not love and revere our onw Land first, and are not grateful for her ideals and principals, then we but bring tragedy upon ourselves--such as the Korean war, which is the prelude to WW III. But the ignorant, the alien-minded, scorn the slogan, AMERICA FIRST. 'Better death in the discharge of one's own duty, than success along an alien path.'"

The May, 1953 issue of "THE POLITICAL REPORTER" on pages 3, 4, and 5 contains an article entitled, "The Antithesis of Freedom" by MARILYN R. ALLEN, which discusses a message which President EISENHOWER sent to the American Jewish Tercentenary Committee's national conference in New York (April 11, 1953) to plan the observance next year of the 300th Anniversary of Jewish settlement in America. This article contains the following statement:

"This tribute to the strangling, anti-Christian power of Jewry in America is not only hypocritical and untrue, but is a direct slap in the face of truly great stalwart CHRISTIAN AMERICANS who did found and build this Country--upon CHRISTIAN concepts, not those of the Oriental anti-freedom Talmud. It is nauseating that America should have as a President a man who is no naive and uninformed on this subject; a man who recently joined the Christian Church, but does *not* actually know the abysmal gulf (as the Jew Maurice ~~Samuel~~ put it) between Christ's Christianity and the sectrian racial religion of HIS mortal enemies, the Zionist Talmudists (who were the Sadducees and Pharisees of His day)."

This same issue of "THE POLITICAL REPORTER" on page 5 again recommends the book "Alien Minorities and Mongrelization" by MARILYN ALLEN, saying that it should be in every patriot's home and is sold by "THE POLITICAL REPORTER."

(See 'I love America' Series No. 15 for discussion of the later subject.) These two Racial Minorities are tied in and work together as a team, to debase, mongrelize and destroy the White Race."

The July, 1953 issue of "THE POLITICAL REPORTER" contains an article on pages 3 and 4 entitled, "Abrogating State Laws and Sovereignty as Well as Individual Rights" by MARILYN R. ALLEN, Salt Lake City, Utah. This article discusses various legal cases dealing with restricted covenant in real estate matters, as well as the law in the District of Columbia relative to eating establishments. The article states in part: "But there are NO longer any rights in the Constitution for the White Man. As I predicted at page 137 of ALIEN MINORITIES & MONGRELIZATION, 'Reconstruction Days' are here again, under FEPC--Civil Rights and colored imperialism. This is the natural outgrowth of the illegally-passed Negro Constitutional Amendments: Of the Roosevelt-Truman-Eisenhower pro-Minorities

policies, and is the successful result of the bitter RACE WAR which Jewish organizations and publications have waged WITH the Negro as against the Whites."

This issue contains on page 17 a letter to the Editor entitled, ~~"Ways and Means"~~ by MARILYN R. ALLEN, 150 North Main Street, Salt Lake City, Utah. This letter contends that the "paid representatives of the American people (our Senators and Congressmen)" spend nine-tenths of their thoughts and energy devising ways and means of depriving Americans of their resources in favor of foreign countries, and the other one-tenth in finding ways to evade laws which are good for America, such as the McCarran-Walter Immigration Act, by admitting more hundreds of thousands of undesired foreigners."

The article discusses the Anti-Defamation League and refers to it as "the Jewish Secret Police."

The article further states, "If the ADL is guilty of 'indoctrination,' it may have indoctrinated President Eisenhower, FBI Director J. Edgar Hoover, and Attorney General Herbert Brownell (not to mention our Supreme Court Justices) who paid tribute to the ADL last year at a banquet here. Since Senator Joseph R. The February, 1955 issue of "THE POLITICAL REPORTER" on page 13 contains an article, ~~X~~"Why Pay More For Treason?" which discusses the proposed pay increase for Senators and Congressmen. The November, 1954 issue of "THE POLITICAL REPORTER" on pages 8 and 9 contains an article entitled, "What Do You Think?" which states "some months ago I received an unsigned post card from Philadelphia, Pa. The contents printed in nice large type, read: 'THIS PERSECUTION! Why do the minions of the FBI search out Jews almost exclusively in investigating atom spies? There are many races here. We must support only persons who stand for these things. We must take immediate steps to organize in force and do everying in our power to preserve segregation. CHARLES B. HUDSON
Post Office Box 985
New Castle, Wyoming

The March, 1953 issue on page 18 reflects that excerpts from a letter by CHARLES B. HUDSON of New Castle, Wyoming were read at the meeting in Memphis of JOHN W. HAMILTON and HARRY WILLIAM PYLE on behalf of the NCPA.

The January, 1954 issue reflects CHARLES B. HUDSON, Post Office Box 895, New Castle, Wyoming, as one of "our writers."

The November, 1954 issue on page 9 contains a letter to the Editor signed "For Christ and Country. Charles B. Hudson." This letter alleges that "since the six pointed star is the emblem of the Anti-Christ Organized Jewry, why is it on our 1906 half dollar and on the 1921 silver dollar?" It demands that the reader request his Congressman to take action to see that these coins are taken out of circulation. It states, "melt them down before we are 'melted down' by atomic heat, for Christ cannot save us unless a few 'elect to do what they can to inform and warn, as well as pray."

The January and February, 1955 issues of "THE POLITICAL REPORTER" contains Part 1 and 2, respectively, of an "Open Letter to Hon. FRANCIS E. WALTER and Hon. HAROLD H. VELDE", by CHARLES B. HUDSON. This letter discusses the "preliminary report on Neo-Fascist and Hate groups," as released by the House Committee on Un-American activities, December 17, 1954. The letter is highly critical of the House Committee and the February issue contains the following paragraphs:

"To make a long story short, but for documentation and leads I furnished and used by that Committee, Oxnam would have succeeded. I had to write several letters to finally get a copy of the 'Testimony of Bishop H. Bromley Oxnam, etc.' on July 31, 1954. Lo! and behold! That Committee Report contained a smear, naming as 'Axis propagandists eight men, and note well their names; Col. Sanctuary. Edmondson and Hudson (and 5 others)

"'now convicted or under indictment for sedition by the Government of the United States..' I wrote Congressman Jackson, July 31, 1954, stating in part:

"... Above was Oxnam Exhibit No. 18 (Part I.), and I am not blaming you or your committee for the unintentional smear that above statement carries, but I do call your attention to the January 3, 1940 Report of the special Committee on UnAmerican Activities-Report No. 1476 of the 76th Congress, 3rd Session, which on pages 18 and 22 furnished Communist and other enemies of our Country with the charge against me appearing three years later in the above 'Message to the House of Representatives.' 'Page 18 of that Official Report of Jan. 3, 1940 issued by the same Committee of which you are now a member, states: Charles B. Hudson, of Omaha, Nebr., organizer and leaders of America Awake, who accompanied General Moseley when he appeared before the Committee:... 'Never in my life was I ever the organizer and leader of America Awake, or of any other organization for that matter. I was the free-lance investigator and publisher from Febr. II, 1936 thru November 1948, of a mimeo bulletin titled 'AMERICA IN DANGER': The 27 issues that I published from the very beginning stresses that I was a free-lance, and belong longed to no organization, nor was I in favor of anti-Communist such as myself promoting or joining any organization for I always maintained that any organization that ever got where it could be any influence against subversions would surely be infiltrated by the enemy and that influence thus destroyed.'

"I then quoted from numerous of my AID! Bulletins proving I had never supported Hitler or any other dictator, claiming all were financed by the International bankers, largely Jewish. That I had always stood for Jesus Christ and for our Christian Representative Constitutional Republic, and was opposed to all 'isms'--fascism, nazism, communism, judaism, and that my bulletins were crammed full of documentation supporting my views: quotations taken from authorities ancient and modern.

"I objected to that Report 1476 of Jan. 3, 1940 listing me on page 22 with ten others as being leaders who 'took part in one or another in this attempt to create a united Fascist movement' I asked the Committee to investigate and exonerate me of those charges. Reminded that Committee that the Justice Department, after five years seeking to link me with subversive activities, utterly failed. That after that infamous 7½ month Sedition Trial of 1944, the Chief Justice of the Appellate Court, Bolitha Laws, had cleared us at the same time castigating the Justice Department for its UnAmerican persecution of American Citizens--that the whole prosecution was a 'travesty on justice'.

"On Aug. 3, 1954, Hon Donal L. Jackson, replied cordially, saying in part: ..'I am sure that no members of the Committee want to unduly stigmatize any citizen, and I am of the opinion that if the facts in the case are made available to the Committee, that there is a very good chance that the record may be corrected.'

ME # 100-3214

"Upon Jackson's suggestion I wrote Chairman Harold H. Velde, urging him to search my files of AID in their possession, and gave more details proving my consistent Americanism and absolute freedom from any taint of fascism, nazism or Communism. I NEVER had the COURTESY OF A REPLY."

"Here is work that is vital, and we commend Mrs. Jenkins highly on her efforts to get the youth of today on the battle front for America. If any of our readers know of college youths who want to join in on this patriotic work, let us know and we will gladly put you in touch with that valiant fighter for Americanism, Mrs. JENKINS."

The June, 1953 issue of "THE POLITICAL REPORTER" on page 22, under the heading "Editor's Desk", contains the following:

"During our stay in Columbus, Ga., we had the pleasure of meeting Mrs. Jessie Jenkins also. We found her busy promoting the Patrick Henry Organization she heads. An organization that oppose Communism in all its forms.

"Mrs. Jessie Jenkins has done much work with the Youth movement and in fighting Communistic trends in the schools in her state, but, from a two hour conference with her, we found, that many of our so-called patriots had failed to help her wanting to bask in the sun of self glorification themselves. And, for that reason she has not had the support she should have had in her patriotic work.

"As to the Patrick Henry organization, its purposes and all its plans fit in well with those that want to do something instead of gripe. A group of Patrick Henry's should be, in our opinion, in every community where much work could be done to protect our school, our community from all the subversives, including the lousy communist."

III. STATED AIMS AND OBJECTIVES OF THE POLITICAL REPORTER

Considerable information relative to the aims and objectives of "THE POLITICAL REPORTER" has been set out under the editorial policy of the paper. In addition thereto, the following excerpts are believed to be pertinent:

The April, 1953 issue on page 20, under the caption, "Editors Note," contains the following:

"What is happening in Washington, is also happening or has happened in every State Capitol in America. The JEW-NEGRO combinde is

ME # 100-3214

determined to destroy the majority, White American's rights at any cost. They have a well organized force, and well able to secure an ever increasing fund to carry on their fight.

"There is but one hope for the Gentile White American, and that is, first-- to work to increase the subscriptions of this publication, so that our message can be broadcast everywhere.

"Second--give your Editor every help, in circulating petitions, protests, or literature. Be out there on the line for the Editor.

"Third---make sure that you belong to some patriotic organization that is fight with all its might, these minorities. If you are not organized, then contact your editor and find out where you can contact some organization that is fighting the White man's battles. To fight the organized minorities, we musty organize and fight back. This is America, you know.

"Forth--get the United Nations out of the U.S. and now. Help circulate petitions for this purpose. Your editor has them ready for you.

"Fifth--write your Senator and Congressman and tell him you want no change in the McCarran-Walter Immigration Act. Get your friends to do likewise.

"Sixth--keep informed on how your Senator and Congressman votes upon Segregation, the UN, the McCrran-Walter Act. If they vote against White America, Vote for more power to the UN, and vote to change the McCarran-Walter Act, then get busy looking for a likely candidates to take their place. The battle is on to save our America for us Americans."

It will be noted further that in the May, 1953 issue, PYLE was attempting to borrow from his readers funds from which to have "THE POLITICAL REPORTER" printed rather than mimeographed. As a basis for this loan, that issue carried the following letter:

"Dear Fellow American Patriot:

"With the help of our loyal friends the POLITICAL REPORTER has experienced a very healthy growth; and for the help er are TRULY grateful. Now, we have inched into a full-grown NATIONAL MONTHLY; and it is therefore essential that the POLITICAL REPORTER be transformed from a mimeographd production into a standard printing-press job. To do this we must raise an additional \$1,500.

ME # 100-3214

"We are NOT asking for a donation; rather, we are asking our friends for a small loan. And for every dollar loaned we will¹ give our 24 months note bearing 6 per cent interest which is the legal rate of interest in Tennessee. We are, therefore, merely asking you to make a reasonable investment in the POLITICAL REPORTER and in the future of YOUR WHITE GENTILE RACE.

"There is apparently no end to the stream of big money being poured into the already rich treasuries of Negro and Jewish organizations. In addition to a sizeable bag of cash recently dumped into the treasury of the Negro outfit--The National Association for the Advancement of Colored People--by the FOREIGN NEGRO Government of Liberia, just 4 registered Jewish organizations--viz., the Anti-Defamation League, the American Jewish Congress, the American Jewish Committee and the American Zionist Council--under oath--that they ARE SPENDING MORE THAN \$2,000 A MONTH on lobbying activities in Washington, D.C. (Our Washington Correspondent has SEEN the official Records And as everyone knows every cent of this Negro-Jewish lobby money is being spent to obtain MORE Negro and Jewish benefits, and advantages, at OUR expence. The official records of Congress show that the American Zionist Council alone SPENDS \$1,7020 A MONTH to OBTAIN AMERICAN FINANCIAL AID to the JEWISH NATION OF ISRAEL..at the expence of the AMERICAN TAXPAYER.

"The POLITICAL REPORTER must--and will--continue its vigorous campaign for a FREE WHITE GENTILE AMERICA: and now that we have a seasoned well trained reporter on the job in WASHINGTON and at the United Nations you are getting real live and un-censored news--most of which NEVER hits the daily press or the air waves. For Example; Had you read about the cited Negro-Jewish lobbying activities in your newspapers? Or did you hear them mentioned on the air? --No, you didn't! And, inasmuch, as the Jews control, either directly or indirectly, the press, radio, and TV, of the land, YOU NEVER WILL.

"I want to give you a first class standard printing-press product filled with real live news from every section of the country--detailed and accurate reports of what the mongrelizing agitators, renegades and queers are doing to invade your rights as A FREE WHITE GENTILE AMERICAN..plus information on what is being done to pin their ears back. And if you will loan as much as you can, I assure you that we WILL DO A JOB for you.

"Help us make the POLITICAL REPORTER the WHITE GENTILE AMERICANS ATOM BOMB. HELP US to DEFEND AND DEMAND AMERICANISM. HELP US to FIGHT for OUR WHITE GENTILE RIGHTS.

"Thanking you in advance, for your kind assistance, I am¹

"Yours for a FREE WHITE GENTILE AMERICA,

HARRY WILLIAM PYLE,

Editor.

"

ME # 100-3214

"P.S. Be sure when sending money for the loan, to mention the amount and we will issue you our note and mail to you by return mail. HWP."

Also indicative of the aims of the publication is the following statement taken from the outside cover of the June, 1953 issue:

"Every new subscription you get for the POLITICAL REPORTER is just another nail in the Jew, Negro, Zionist Communist coffin. Help us by adding your nails to the coffin. Defend and demand white Gentile Americanism is patriotism at work."

The January, 1954 issue of "THE POLITICAL REPORTER" on the outside cover contains the following statement:

"HELP SAVE OUR AMERICA. HELP AWAKEN YOUR NEIGHBORS AND FRIENDS TO ALL THAT THE SUBVERSIVES ARE DOING. HELP US RUN THE UNITED NATIONS OUT OF AMERICA, AND HELP US GET BACK TO FREEDOM. AND THE BEST WAY TO HELP IS TO SUBSCRIBE FOR THE POLITICAL REPORTER AND GET YOUR NEIGHBORS AND FRIENDS TO DO THE SAME. IF YOU DON'T SAVE YOUR POLITICAL REPORTER PASS IT ON TO SOME ONE. IF YOU SAVE THEM, THEN ORDER A FEW EXTRA COPIES OR BETTER STILL SEND IN THE NAMES AND THEIR ADDRESSES AND A DIME FOR EACH NAME AND WE WILL MAIL TO THEM. IT IS AN AWAKEN AMERICA THAT WILL STOP THE SUBVERSIVES AND THEIR MANY FELLOW TRAVELERS."

IV. CONNECTIONS OF THE POLITICAL REPORTER WITH OTHER ORGANIZATIONS AND PUBLICATIONS

As previously set out to some extent, the POLITICAL REPORTER has referred favorably to various organizations. To summarize, these are listed hereinafter:

~~X~~ "AMERICA AWAKE" *Publications*

The February, 1955 issue on page 18 in Part II of the article entitled, "Open Letter to Hon. FRANCIS E. WALTER and Hon. HAROLD H. VELDE" by CHARLES B. HUDSON refers to HUDSON's leadership in "America Awake".

"AMERICAN MAJORITY'S PROTECTIVE LEAGUE"

This organization has never been referred to in the copies of "THE POLITICAL REPORTER" presently available to this office. Information regarding the connection of HARRY W. PYLE with this organization has been previously set out.

"COMMON SENSE"

The January, 1955 issue of "THE POLITICAL REPORTER" on page 19 in the open letter from CHARLES B. HUDSON to the HCUA, discusses the publication "COMMON SENSE" and its Editor, CONDE MCGINLEY, SR. The article defends "COMMON SENSE" and at the end thereof there is the following statement attributed to the editor of "THE POLITICAL REPORTER": "We are rather shocked that the Ed. of Common Sense, failed to even mention Mr. HUDSON in his Jan. 1st. Issue. Leaving the impression with his readers that only he was smeared by this Committee. Ed."

The February, 1955 issue in the continuation of HUDSON's article relative to the HCUA makes further reference to "COMMON SENSE" and at the end of the article, is the following statement:

"Editor's Note.

"The rest of this letter will be appear in next Month's Political Reporter. The many names which did appear in the Hate Report, and which Common Sense failed to mention will be brought out, as Mr. HUDSON has covered the whole thing and in a clear statement of facts."

~~"GOTHIC RIPPLES"~~

As previously set out under the name "ARNOLD LEESE", this appears to be a publication of that individual in England and is referred to in the November, 1954 issue of "THE POLITICAL REPORTER."

"THE INDIVIDUALIST"

Editor, GUY C. STEPHENS
The Doghouse
307 Piney Road
Danville, Virginia

The April, 1953 issue of "THE POLITICAL REPORTER" on page 2 refers to this publication in the following manner:

"The Individualist. comes to our desk ever month. Its a four page publication filled with the reasoning of an Individualist. Its Editor, Guy C. Stephens, is one of those Patriots thats out to help. Not gather in coin. You'll not only get enjoyment out of the Individualist, but some think material. Some on the Klan too. To prove that GUY STEPHENS is not out for money, you 12 issues of the Individualist for 25¢. Send One or Three cents stamps if you like. To The Individualist. The Doghouse, 307 Piney Road. Danville Va."

"KU KLUX KLAN"

The April, 1953 issue of "THE POLITICAL REPORTER" in an article entitled, ~~"Why They Hate the Constitution"~~, by GEORGE W. SMITH, in discussing various historical matters, states "But Coongress-- with some help from the original KKK--saved the South.. and the Constitution."

The April, 1953 issue, in recommending the publication, "THE INDIVIDUALIST", supra, refers to that publication as having some material on the Klan.

The May, 1953 issue, under the caption "Editor's Desk" refers to "BILL HENDRIX, the scrapping Colonel of Florida says the KKK will be disbanded."

The June, 1953 issue of "THE POLITICAL REPORTER", on page 22, in discussing HARRY W. PYLE's visit to Columbus, Georgia, contains the following reference to the Klan:

"While in Columbus, we got wind of a big Meet that was being held by the Klan of Florida. If you readers, who swallow all the propaganda put out over Radio, TV, and believe what the subversive press has to say about the Klan, headed by Bill Hendrix, your in for a surprise. We didn't see one hooded goon with a rope in one hand and a six gun (a la cartoonist) prowling the streets hunting niggers or a parson who had two timed some brother. But, we sure did meet up with some highly intelligent men who could, and we suspect, did belong to the Florida Klan, and were outspoken on Trotsky Communist, Zionist Commies and assorted subversives.

"Before leaving Columbus, Ga., we did have the pleasure of meeting Bill Hendrix, head of the Florida Klan. He informed us 'that instead of disbanding the Florida Klan, he was going to make it a National Organization.' This perhaps will appeal to the many who belonged years ago, during the Simmon rule when the Klan was powerful and a force for good."

The July, 1953 issue of "THE POLITICAL REPORTER" on page 9 contains an article by ~~Dr. J. R. MONTGOMERY~~, Memphis, Tennessee, entitled, "The Ku Klux Klan. Et Cetera" which asks "Who is afraid of the K.K.K.? I am not and no other decent citizen is, either white or black--they have no reason to be afraid of it." The article alleges that there are people who are getting immunity from the police or the court in carrying on outrages against society and "these are the ones the Klan likes to work on."

ME # 100-3214

The same issue on page 19 states that BILL HENDRIX and his Simon-pure Klan in Florida isn't "Kosher", according to the Jewish Press.

The February, 1955 issue of "THE POLITICAL REPORTER" under the caption, "From the Editor", contains the following reference to the Klan:

"Let a few Klansmen get together and in their enthusiasm nail a couple of boards together in the shape of a cross and sit fire to it and all hell breaks out and they are sent to jail."

"THE KNIGHTS OF THE KUKLOS KLAN"

This organization is referred to on pages 3, 4, and 5 of the November, 1954 issue of "THE POLITICAL REPORTER" in an article entitled, "From Out of the Hidden Past," "By the Imperial Dragon, Knights of the Kuklos Klan." The article refers to the organization as being the original Klan which existed during the Reconstruction Era in the South. It alleges that the Ku Klux Klan, organized in 1915 by WILLIAM J. SIMMONS at Atlanta, Georgia, was not a part of the original Klan. This article is a highly laudatory account of the original Klan.

It has been previously set out herein that PYLE informed Memphis Confidential Informant T-3, supra, on March 30, 1955 that he was connected with and interested in the Knights of the Kuklos Klan.

"NATIONAL CITIZENS PROTECTIVE ASSOCIATION"

This organization is referred to in the March, 1953 issue of "THE POLITICAL REPORTER" on page 18 where there is a discussion of an alleged NCPA meeting in Memphis prior to that date. The organization is also referred to in the May, 1953 issue of "THE POLITICAL REPORTER" on page 2, where the statement is made under the caption "Editor's Desk" that "The National Citizens Protective Association will soon have their constitution worked out and begin going after members."

Information has previously been set out to the effect that HARRY W. PYLE subsequently had severed his relations with the NCPA.

"THE NATIONAL DEFENSE LEAGUE OF AMERICA"

The April, 1953 issue of "THE POLITICAL REPORTER" on page 14 under the caption, "Doings in the Nation's Capitol" by GEORGE W. SMITH, refers to a bill prepared by the National Defense League of America and filed in the House of Representatives by Speaker JOSEPH W. MARTIN and Representative LAWRENCE H. SMITH, and an identical ~~NDL~~.

petition presented to the Senate by the President pro tempore, Senator STYLES BRIDGES. The article notes that "Editor PYLE has obtained a copy of Petition 108 and he has informed your correspondent that he will gladly furnish copies to all those interested." This petition refers, according to the article, to the withdrawal of the United States from the "Jew-N."

"PRO-SOUTHERNERS"

The November, 1954 issue of "THE POLITICAL REPORTER" on page 20 contains the following article relative to the PRO-SOUTHERNERS:

"Two police officers of Dallas, Texas hailed PATRICK MURPHY, a 17 year old High School student before a self-appointed court in the Principles office at Pat's High School and searched him, taking several membership cards of the PRO-Southerners, several letters and pictures as well.

"PAT, being one of those mislead boys who thinks Communism is wrong and race mixing un-necessary, had secured membership in the Pro-Southerners, then went out and organized some 25 of his friend with like thoughts.

"Having serched this youth, and in proper goon fashioned, made him understand, that liberty to think or organize any counter-attack against the Communist is wrong, they turned PAT loose with the warning, that they were placing the PRO-SOUTHERNERS on their Subversive list. Up to date, the F.B.I. has not shown up to see if PAT's Civil Rights were infringed upon."

"THE NATIONAL RENAISSANCE PARTY"

The January and February, 1955 issues of "THE POLITICAL REPORTER" in the letter by CHARLES B. HUDSON to the HCUA refers to this organization. It alleges that although the HCUA report describes the organization as "the most dangerous Fascist in USA," and that "what the 'Report' does not tell is most important." The article, then quoting from "EXPOSE", which it describes as a "pro-Jewish, pro-negro, anti-Christian, pro-Atheist" publication published in New York City, contends that JAMES H. MADOLE of Beason, N.Y. had been "taken over thru a female and some easy money by a 'MANA TRUHILL', whose real name seems to be EMANUEL TRUSHILLO." HUDSON's letter quotes "EXPOSE" as stating that TRUHILL, a Communist, moved into The National Renaissance Party as an Agent of the Non-Sectarian Anti-Nazi League.
